* NEW THOMPSON FIELD RECORD - OLD RECORD 192'9" POTTS (NAVY) '68

* POKED A MUSCLE - COULD NOT RUN IN 100 - 220

The high lights of the Army Navy outdoor meet was the hammer throw. The 100 & 220 - when Ron Madera came through after Tony Dedmond pulled wheel running anchor in the 440 relay team. To my knowledge 4 universities have

ever had 2 hammer throwers
at the same time throwing over
190'

Kent State - coach Doug Raymond
Jack Accombray 1971- 1972
al Schoterman -

Boston U. coach Doug Raymond
John Lawlor
Eino Keerd. 1960- 1961

Harvard coach Ed Stowell
Ed Bailey
Stan Oster 60- 62

Army. coach C. Crowell.
Bill Shuff ↑
Bill Duhl 1970-1971

Both these throwers never saw
the 35 or 16 lb hammer prior to
coming to the Academy. 6'200

Shuff is from La. - was a hurdler
long & jump - & pole vaulter when he
came to West Point. Had one year
at NE La. University got too big for
the above events so he learned to
throw the 35 & hammer, Very quick.

Duhl - is from Minnesota
played foot ball & ran the 440 in
high school - He too got big - so
we made a weight thrower out of
him - 6'3 220. 60' + in 35. has
great potential in hammer.

Both are quick, and should
develop into 220 throwers in a
couple of years.

C. R. Crowell.
