46.9 Casselman

Westmont College, was a clear cut winner over an Olympian-class field. Jean Louis was timed in 9.3.

One world record holder bombed out.

Javelin thrower Jorma Kinnunen of Finland did not have a legal toss, fouling on his first and spiral-

ing the next two out of the allotted landing area. With Kinnunen eliminated, Bill Skinner of the New York Athletic Club was the winner with a chuck of 258-11 or some 45 feet shy of the Finn's record.

The opening track event of the day was the two-mile

walk, not usually a suht that stirs an audience. But San Rafael High teakher Bill Ranney and Jim Hanley of the SC Striders staged as exciting a duck-waddle as one could expect to see.

## Close Finish

Hanley hung on Ranney's shoulder most of the way. A lunge at the finish line by Hanley was futile. Ranney's winning time was 14:19.0. Hanley's time 14:19.1.

With sensational freshman Rick Brown bringing home the baton in 46.9 seconds over the final quarter, Cal's mile relay team closed the long day with a victory in its section.

Another pleasing effort for Cal came in the 880, where John Drew ran fourth in his section in 1:48.6. The time qualified Djew2fbj the NCAA championship meet.

# WILLIE SKIPS 100; 'RAVEL' WINS --- 9.3

BY HARLEY TINKHAM

Times Staff Writer

MODESTO — Willie Deckard might still be the world's fastest human, but you couldn't prove it by anything that happened Saturday night in the 30th annual California Relays at Modesto Junior College Stadium.

The Trojan junior scratched from the 100, won by Westmont's Jean-Louis Ravelomanantsoa in 9.3, then got all he wanted in the relays from a pair of Jamaicans, ex-Trojan Lennox Mills and Trojan-to-be Don Quarrie.

Deckard held off Miller in the 440 relay as the Trojans won by a whisker in 39.4 but he couldn't overcome Quarrie's three-yard lead in the 880 relay and the Striders prevailed in 1:22.3, six-tenths of a second off the world record.

USC coach Vern Wolfe, asked why Deckard didn't run the 100, said, "If there hadn't been heats, he would have run. But it's too much to ask him to run two tough 100's plus the relays."

Deckard said he would run both sprints next week against a virtually the same people in the Kennedy Games at Berkeley.

Don't get the idea Willie wasn't running fast Saturday night. He was. But Miller, silver medalist in the 1968 Olympic 100 meters, and Quarrie, a triple gold medal winner in last year's Commonwealth Games, also can run a little.

## 19.7 Anchors

Deckard and Quarrie Boyd were timed in 19.7 on their 220 anchors. Miller closed about a yard on Willie in the 440 relay after almost catching Ravelomanantsoa in the open 100 with a powerful finish.

Deckard said, "I'm not used to people coming up on me. I think I tightened up a little."

Athlete of the meet honors went to Southern University's Rod Milburn, with a meet record of 13.4 in the 120 high hurdles, but the most satisfied medal winners were UCLA's John Smith and Occidental's Hugh Brown.

Smith was getting tired of his runnerup role in the 440. Brown was getting tired of no role, period. They went 1-2 over Olympic champion Lee Evans, Smith winning in 46.1 and Brown, who closed faster than anybody, clocking 46.2

"It went right according

to plan," said Smith who overtook Tennessee's Darwin Bond coming off the turn, then put away a bid by Evans midway in the stretch. "The track was pretty chewed up which accounts for the slow time."

## Collett Fades

Smith previously had run 45.5 twice this year in finishing second to USC's Edesel Garrison in the dual meet and then second again to teammate Wayne Collett in the Pacific 8.

Collett, who ran 45.3 in the Pacific 8, was a contender on the final turn but faded badly and wound up sixth at 47.0. Garrison didn't run.

Smith and Collett had hoped to come back and help carry the Bruins to a world record in the mile relay, but Warren Edmonson dropped the baton on the second leg while running far back and the Pacific Coast Coast Club went on to win in 3:04.6.

Terry Musika anchored in 45.3 as the Pacific Coast Club lowered UCLA's previous world best of 3:05.5
