ATTENTION Mr. Garry Hill

Gentlemen:

Enclosed are the results of the Eastern Regional Decathlon held at Rider College on June 5 & 6, 1971.

On the day of Bill Foucher's run, it was hot and humid with temperatures about 85-90 degrees. There was no significant wind; therefore, a wind gauge was unnecessary.

The track itself is all-weather, new, and very fast. Bill Foucher has run over the past year 9.4 100's. Therefore, in regard to your question, in my opinion it was a legal run. Three watches all recorded the same time of 10.3. In addition, this meet had USTFF, NCAA, and AAU sanctions.

On October 9 & 10, 1971 there will be a State & Open Decathlon held at Rider College, the results of which will be forwarded. So far a good field is entered.

Keep in touch.

Sincerely,

Robert Conn
