

Some important last minute results tossed in by Bill

Everyone knows the story about lightning striking twice. Summit Club's Mike Kimball and Virgil Yehnert did it again with the aid of Bill Heideman while George Weatherbee was side lined with a stone-bruised foot.

After winning the National AAU 30 kilo in Rockville, Md. -- Individual and Team Championships on March 28th, they came back last week to win again at the Eastern Regional AAU Marathon Championship in Syracuse, N. Y. -- May 8th. A Big Congratulations to Mike - individual champion, Virgil, 1st finisher over 40, and both George and Bill for very fine times.

Syracuse Marathon - 26 miles 285 yards - Eastern Regional AAU Championsh

Mike Kimball	Age 30	2.24
Virgil Yehnert	Age 42	2.32
Bill Hiedeman	Age 30	2.39

All of us RRC members here feel without a doubt that Mike should be nominated the Lake Erie AAU Region "Athlete of the Year." I have yet to see a swimmer or boxer match these performances!
