attend, I've had a good look at the PSUAAU results and have noted several mistakes in what was reported to you. This was the meet of June 4 which was reported in Vol 17 #21 of the Newsletter. I'd like to make some corrections and additions. These have been cleared with the meet director so you needn't fear a later contradiction. You can pass these along to whomever is interested in your office.

This was the worst mistake as there is no such "Cilca".

Also Dudley, Kaemerer and John Perry are all US Marines (the all Marine team), not El Toro or Pac. Coast Club, The 120HH winner is Doug Jones from San Diego City College, a JC runner
