The UCLA Bruins took a big step towards defending their national dual meet championship by easily disposing of the Oregon Ducks, last year's runners-up, 86-59. The only obstacles left for the UCLans are California's Bears (who lost by 27 to Oregon the previous week, and Southern California's tough, unbeaten Trojans.

Chief among the heroes for coach Jim Bush's squad, who else but Wayne Collett. Collett started his day by anchoring the 440 relay squad to its season-best time, 39.7, came back 30 minutes later with a *71 best of 46.1, just behind John Smith's 46.0 in the quarter mile. 35 minutes later, he was on the track, just so the Bruins would have an entrant in the intermediate hurdles. Collett "took it easy" in this one, running 15 steps all the way, close behind the two Oregon runners, caught leader Paul Wilkenson at the last barrier, and turned on just enough for a yard victory in 53.8, his all-time "slow". Another 35 minute rest and it was back to work - coach Bush was looking for a quality time because, as he put it, he was "tired of running bad relays." Collett anchored the Bruins to 3:10.5 with an "in-check" 46.8 to maintain their three yard margin over the Ducks.

Steve Prefontaine was the biggest Oregon standout, running a 3:59.1 mile to lead a Duck sweep. He ran easily behind the leader's 60.0 and 2:01.2 before gunning into the lead for an easy 25 yard win over teammates Rick Ritchie (PR4:02.8) and Todd Lathers (PR4:05.0). The Ducks' domination of the distances was just as evident in the two mile as Steve Savage and Knut Kvalheim tied in 8:50.2 after an atrociously slow 69.6 opening quarter. The Oregon duo ran well within themselves and looked as if they could have gone ~~RM~~ 20 seconds faster had they needed.

In other highlights, James McAlister returned to action after laying off a week for spring football, and remained unbeaten with a 25-10 to 25-8 3/4w victory over AAU champ, Bouncy Moore. John Smith picked up a double with a 20.6w 220 to go with his 440 win, and Mark Ostoick got twin victories in the weights at 61-10, 179-9. Denny Rogers outleaped teammate James Butts 51-8½ to 51-4½, both windy, in the triple jump, but Butts got the meet record with the best non-wind-aided jump, 51-0½ to 50-10.

Dear Dick,

Here are results and a short story on the UCLA-Oregon meet if you need it. The Bruins are looking more impressive with each week and I look for them to beat SC by 15-20 in two weeks. Other than SC, El Paso seems to be the only team with a chance for the dual meet title, but as of last week, both southern California teams had about a 60 point margin over the Texans. The 27 point loss to the Bruins probably killed Oregon's chance of repeating as number two, but they should finish in the top four.

I would appreciate it if you could tell me where I can get info on accommodations in Fresno - should I just write to the school or chamber of commerce? Also, could you send me a copy of the summaries for Oregon's quadrangular with Fresno, Portland, and Ore. Coll. Ed. ? The scores reported in the paper are obviously not using the accepted scoring for that size meet. Thanks for your help.

Best regards,

John

The Fourth Pacific-8 Conference Dual Meet between . . .

OREGON Webfoots versus UCLA Bruins

. . . Held in UCLA Track Stadium, Saturday, April 24, 1971

Fourth Meeting: This is only the fourth dual meet ever held between these Pac-8 rivals. UCLA has won the previous three, 91-54 at Eugene in 1966, 85-59 at Westwood in 1967 and 81-73 at Eugene last year.

Both Undefeated: Yes, both the Ducks and Oregon come into this meet with perfect dual meet records. Oregon has whipped San Diego State, 118-36; Stanford, 106-39; Washington, 85-60; and California, 90½ - 63½. UCLA has licked Cal State Long Beach, 101-44; Arizona State, 99-41; San Diego State, 108-45; Kansas, 84-70; Tennessee, 100-40; Stanford, 108-37; and Washington State, 84-61. Both teams have two more dual meets coming up: next Saturday, Oregon at Washington State and UCLA at California and May 8, the Ducks at Oregon State and the Bruins against USC here in The Stadium.

Both Champions: Yes, both Oregon and UCLA are defending track and field champions, the Ducks being tri-NCAA titlists with BYU and Kansas and the Bruins undisputed Pac-8 titlist. Plus, UCLA and Oregon were rated 1-2 in *Track & Field News'* national dual meet rankings last year.

Lifetime and 1971 Best Performances are listed, in parentheses, for each entry in each event in today's competition.
