SATURDAY QUERIES

BILL HIGH (Tennessee - winner of the 120 High Hurdles - time of 13.4 wind-aided) "The first part of the final felt good. As this was the third race of the night, after two races I was tired. The last 3 or 4 hurdles were okay. I was a little weary of Marcus Walker. I knew he was hurt but I don't know what kind of shape he was in. It would have been a good race, but Marcus hit the 7th or 8th hurdle and fell back to third. I just felt fortunate to win. Last week I ran a 13.4 wind-aided in the prelims at Central Collegiate Championships at Bowling Green, Ohio. But I ran a 13.5 in the finals and won. I am going to the NCAA this following week and on to the AAU in Bakersfield. The results of these two meets will decide what I will do the rest of the summer.

440 YARD RELAY - COLORADO 39.4 - CLIFF BRANCH, GEORGE DANIELS, LARRY BRUNSON, AND MARCUS WALKER.

LARRY BRUNSON "The race was great, when I have Branch and Daniels running in front and handing off everything is perfect."

MARCUS WALKER "I was hesitant at first because I felt a severe pain in my leg after running the hurdles. I wanted to protect my leg, so I eased up at first to see if I could get through without running hard, but at the end I felt stronger so I just tried to power the rest of the race.

QUOTE FROM JAN JOHNSON
(POLE VAULT WINNER 19'3 1/4")

"I'M ELATED. I NEVER EXPECTED TO CLEAR A HEIGHT. I RAN INTO A FORMER TEAM MATE OF MINE, RICH ELLIOT, LAST NIGHT AND HE WANTED ME TO RUN 9 MILES WITH HIM, I DECIDED I MIGHT AS WELL BECAUSE I DIDN'T EVEN KNOW IF I WOULD HAVE ENOUGH MONEY TO PAY THE TOLL ROAD FARE TO GET HERE FROM LAWRENCE".

FRIDAY'S QUOTES

TERRY ZIEGLER (University of Oklahoma - winner of Men's Marathon 2:27.46 a new record). "I've been running marathon since the beginning of this year and this is my third marathon to date. In the near future I hope to break 2:20."

RICHARD BRUGGEMAN (Ohio Track Club - winner of Men's 440 IMH in 50.19 a new record). "I was very pleased with the race. It was a little windy in the home stretch, but it didn't seem to affect me too much. The competition was great. As a matter of fact, I was a little scared at the beginning of the race and I feel that this competition help push me to win the race."

BRENDA VAN WINKLE (Texas Track Club - winner of the Women's Long Jump 19'9 $\frac{1}{4}$ "). "I was very satisfied. The wind may have bothered some of the girls, but I liked it."

CONRAD NIGHTENGALE (Steeplechase winner - 8:46.6 a new record) US Air Force "Early this afternoon I thought the time might be even slower because of the wind, but it died down and Sink (Sid) and Gray (Bob) were willing to take the pace so it worked out pretty well. I have had plenty of opportunity to work out. My commanding officer at Lackland AFB has helped me out a lot, but the heat makes me work out early in the morning or in the evening."

NANCI KISER (Texas Track Club - Winner of the Women's 100 M Hurdles time of 13.9 a new record). "I was very happy with the time, but my team mate Donna Harridge was the only one who gave me much competition. My next meet will be the Nationals in Eugene, Oregon, and I am shooting for a time of about 13.5."

RANDY MATSON (Texas Striders - Winner of the Men's Shot Put. New record of 68'1 $\frac{3}{4}$ "). "68.2 is not my best or as good as I'd like it to be, but I've been throwing it in the 67's lately so its nice to get back in the 68's for a change. I'd like to be ready for the AAU meet. I'm going to Portland tomorrow to compete and then I'll take a week off and then compete in the AAU meet and hopefully the Russian meet this summer. I threw my best ever indoors this year and I was hoping for my best year outdoors but its been one of my worst, so I'll probably go pretty heavy indoors next year and then take a break before getting into the outdoor season."

DR. DELANO MERRIWEATHER (Baltimore Track Club - Third place winner of the 220 Yard Dash, time of 21.16). " Regarding my performance, I certainly feel ther's room for improvement. When I make that statement about being able to beat the best, I was relaxing in my living room. It's a different story when you get in competition with guys like Daniels and Branch, Green and Crockett. I'm happy to be competing and I think the performance of Daniels and Branch tonight deserves a lot of comment. I don't have any plans concerning the Olympics at this time. I have so many things to attend to, I'll just have to start all over next year."

CLIFF BRANCH (Colorado University - Second place winner of the 220 yard dash, time of 20.72 which ties record). "Working in practice with George Daniels has been a great experience for me. He has pushed me to improve all year. Actually football is more important to me than track because that's where the money is and I have to consider my future. I hope that I'll be able to compete in the Olympics and play football next year."

GEORGE DANIELS (Colorado University - Winner of 220 yard dash with a time of 20.72 which ties record). "I didn't sleep well last night so I was very pleased that I ran as well as I did. I'm looking forward to competing for Ghana (his native country) in the US- Africa meet and in the Olympics next year. Also, I am looking forward to the NCAA meet next week and I hope we do well there."

FRIDAY QUOTE

PRESTON CARRINGTON (Wichita State University - winner of the long jump 25'11 3/4" a new record)

"I can't describe how happy I am. There was such a great field here with Danny Brabham who had gone 26-7 and Tommy Haynes who had done 25-11. I didn't really expect to do so well. My shoulder (he had an operation earlier in the spring) is about 90% well, although I still have a pin in it, but I'm still in the process of getting my legs in shape. I'm looking forward to the NCAA meet next week because there will be another great field there and I hope I can do as well."
