QUOTES:

JURIS LUZINS (USMC, 880 winner):

"I felt really ~~f~~ good and strong. I haven't done any sharpening work, just overdistance. I just run indoors to enjoy myself anyway."

FRANK SHORTER (Florida TC, 2-mile winner):

"No, I didn't plan to run slow, but I just decided to sit~~x~~ and see what developed; everybody said, 'you're not so fast,' but the last 220 was about 26.0; ~~xxx~~ actually I ran hard only the last half-lap."

XX

LEE EVANS (Bay Area Striders, 600-yard winner in meet record of 1:10.3):

"I felt much better than last week (4th and last in College Park, Md., in 1:10.3--same time as tonight); I was ~~xx~~ sore and flat last week since I worked out too hard Thursday. But tonight was strong and good."

QUOTES:

PAYTON JORDAN (Stanford track coach and seniors 55-over 6-yard dash winner in 7.1):

"I ruptured a tendon in my left calf during the week, practicing starts with my sprinters; I really bombed out on one and strained it. I never hurt it when I was running in college; no, my leg didn't hurt at all during the race. I was sitting back and ~~x~~ not getting any lean, but I felt fine. Of course, you always feel good when you win."

WARREN EDMONSON ~~KEX~~ (UCLA, 60-yard dash winner in 6.1):

"I felt good from the blocks all the way through; after so many false starts (four), I just concentrated on getting out; I felt Eddie Hart at the end but just kept on hustling."

WILLIE DAVENPORT (unattached, 60 high hurdles winner at 7.1:

"I didn't feel that hot; I need two races (heat and final) to be really sharp. (Asked if young hurdlers are putting pressure on him) "Kids like Rod Milburn (outdoor record holder at 13.0) make you HAVE to run fast."

ROBERT READER (Staters TC, triple jump winner at 52'4"):

"I ~~have~~ haven't done any speed or technique work; nothing but weights; that jump was on nothing but strength; it didn't feel that far; with more sharpening work, I think I could have had another foot."

QUOTES FROM SHOT PUTTERS:

AL FEUERBACH (Pacific Coast Club, winner at 68'2 1/4"):

"It's an honor to beat Randy any time; I felt good, but on my longest I was leaning back and arming it out of right field; a big throw like the world record last year (68' plus) having a big combination of hitting the center again."

RANDY MATSON (Texas Striders, 2nd in 67'3 1/2"):

"My technique is off, and I really don't know exactly what it is; on my best I was way off to the right; it's just I hate losing any time."

CORRECTION ON ~~XXXXXX~~ FEUERBACH QUOTES:

"It's an honor to beat Randy, any time; I felt good, but on my longest I was leaning back and arming it out of right field; a big throw like the record last year (68-11) is just a combination of hitting the technique perfectly plus having a big psyche; it's bound to come again."
