

## LONG BEACH RELAYS

*Other Athletics  
only*

Perhaps the most significant happening at the two-day Long Beach Relays was the running of second day events on the LA Coliseum's brand new green Tartan track...even before the inaugural Champions Meet later in the day. That doesn't mean there weren't good performances; just relatively pale when compared to the more ~~XXXXXXXXXX~~ noteworthy happenings in the weekend's feature outdoor meet.

Those foolhardy enough to brave the 8:20 AM starting time (that includes this reporter) were treated to a respectable 6 mile as Doug Schmenk of distance-strong Cal State Fullerton outlasted veteran Bob Price 28:52.2 to 28:56.4. Most notable mark was a 51-7½ triple jump by Southern Cal's Henry Jackson on Friday, and he followed that with a 23-11½ long jump win and a 48.2 leg on the winning mile relay squad. The Trojan four-lappers clocked a creditable 3:12.3 without aces Edesel Garrison and Tony Krzyzosiak.

Long Beach State took advantage of SC's 880<sup>1</sup> <sup>relay</sup> record attempt and clocked 40.8 to top the Trojan second team's 41.6 in the 440 relay. Despite Jackson's three wins, Athlete of the Meet honors went to Arizona Mesa JC's Jim Euell for his 4:08.5 anchor in a 9:59.8 distance medley and 1:51.0 sprint medley wrap-up. Most spectacular relay leg was turned in by Northern Arizona's Steve Cross with 1:49.0 in the two mile won in 7:34.
