Here are some of the event cards from Mt SAC. Note there were ~~six~~ legal jumps giving the following results in long jump

Mike Mason 25-7 $\frac{1}{4}$  (measured metrically at 780)

2 foot jumps by Whitley

Ralph Boston 25-6 $\frac{1}{2}$

Jim McAlister 24-7 $\frac{3}{4}$

Arnie Robinson 25-10

The decathlon first day sheets are included. Note that all distances were measured metrically. You have been penalizing some athletes by re-converting marks from this area from english to metric. Actually all decathlons at UCLA were measured metrically and the scoring sent to you was correct, I believe you deducted 1 point from Barnister incorrectly.
