MILE RELAY TEAM

Quartet of (L to R) Dave Bagshaw, Bruce Henry, Captain John Anderson, and John Kessel will shoot for the Stanford Mark of 3:10.5

1972 STANFORD TRACK & FIELD OUTLOOK

With the departure of many veteran performers, Coach Payton Jordan describes his 1972 Stanford Track & Field Team as "young and enthusiastic." The Indians will advance into the spring, coming off an intensive fall conditioning program and one of the most rewarding cross country campaigns in many years. "If hard work means anything," states Jordan, "this team will come up with victories. We have a lot of young and inexperienced people, but the potential is very promising. Unfortunately, there are some events where we will come up very short, and this will put tremendous pressure on many of our athletes to pick up the slack in other areas."

This year's track and field campaign, unusual in the fact that there is only one "home meet" in Stanford Stadium, will, nonetheless, point toward the star-studded Pacific-8 Championships on the Stanford track on May 19 and 20. Another unique feature of the 1972 season will be a pair of double dual meets featuring the teams of USC, UCLA, California and Stanford, all participating together, a real treat for track buffs in both Southern and Northern California. On April 8th, at the Los Angeles Coliseum, Stanford will meet the Trojans, while the Bruins and Bears tangle in alternate events. Two weeks later, on April 22 at Stanford, The Tribe will challenge UCLA, while California and USC also go head on head.

No where for Stanford is the loss of veteran talent more keenly felt than in the sprints, where Chuck Francis, Rick Tipton and Kevin McNair have all graduated. This will swing the pressure toward young Ken Curl, a sophomore who showed flashes of brilliance last spring. Curl has lost a considerable amount of weight in the last twelve months, and shows promise of repeating the 9.3 and 21.2 high school times he recorded two years ago. Bob Barmeyer is also showing fine promise, but depth will be a problem in both sprint races and cause problems in filling out a point-winning relay team.

From the 880 up through the 3-Mile and Steeplechase, Stanford will definitely be feeling the void left by Duncan Macdonald and Don Kardong, both all-time Indian record holders. Dave Whiteing, with a lifetime best of 1:52.3, appears to be the top performer in an 880 group that shows some potential, but no proven performance. Arvid Kretz stands alone as the only reliable talent in the mile (4:07.0) and all the way up to 6-miles. But, Coach Marshall Clark has a number of runners ready for "breakthroughs," and much of the hope for Stanford success rests with them. Included in the group are Brian Mittelstaedt (4:12.5) who showed consistent improvement through the early spring conditioning program. Decker Underwood, who ran 4:10.2 as a high school senior, missed the entire '71 campaign due to injuries, but seems healthy for this year's campaign.

Rick Tipton and Randy White, missing from the short and long hurdle races after brilliant Stanford careers, will be missed for sure. But, Tom Long (14.2 and 52.3) seems destined for improving performance, and so does senior Mark Haight (14.7 and 53.2). Perhaps, the surprising hurdler at season's end will be Freshman Dave Bagshaw, who comes into 1972 with a sparkling high school record.

For Captain John Anderson, a 14.4 hurdler himself, it will be a decision on where to place his emphasis, since he is also the team's outstanding 440 runner. John has already recorded 47.8 in the quarter mile and should crack the 47.0 barrier in the early season. Behind him are two young runners, John Kessel (48.5) and Bruce Henry (49.6), both of whom are improving rapidly. "If we find a fourth runner to add to this group at 48.5 or so, we could challenge the 32-year old mark of 3:10.5," says Coach Payton Jordan. "At early season that choice will be between Tom Long and young Dave Bagshaw."

With the arrival of Skip Grodahl (6-9) and the consistent performance of Tom Anderson (6-6), The Tribe should pick up points in the high jump this year. Anderson, primarily a long jumper with 26-0 potential, also gives Stanford an edge in that event. He will be backed up by transfer Mel Ho (24-4) and returnee Bill Raines (22-11). Ho's best event is, perhaps, the triple jump, where he has done 49-9 and should soon perform consistently over 50-0. Veteran Rod Utley already has a lifetime best of 50-0 and should be healthy for the '72 season after suffering leg miseries a year ago.

The pole vault is lacking Casey Carrigan this year, and the Indians will be hard pressed to find any vaulter with 16-0 potential. Tom Lindsay will be striving for consistency over 15-0.

One of Stanford's strongest field events will likely be the discus, where Jim Howard, the nation's leading high school thrower of a year ago, is the top performer. Howard has done 173-6, but veterans Pete Dreissigacker, Doug Adams and Jim Royer are edging toward the 170-0 mark, too.

Ralph Bakkensen, perhaps the hardest worker on the squad, is working toward a breakthrough in the shot to improve on his best of 52-2 1/4. Behind him, points will be hard to find in this event for The Tribe.

Returning throwers Steve Hopkins and Rick Larson were consistently over 200-0 with the Javelin in the early season, showing that a year of experience and practice can make a world of difference. Just an average event for Stanford a year ago, the Javelin promises to be much more rewarding in '72.

In summing up the Stanford hopes for the coming season, 1972 must be rated as a year of hope and promise. The Indians are sure to have difficulty in challenging the top teams in the Pacific-8 (which are also the top teams in the country), but, outside the conference, Stanford will, once again, turn out one of the most talented and exciting track and field teams in the United States.

## SUMMARY OF 1972 TRACK AND FIELD PROSPECTS

### TRACK EVENTS

#### THE SPRINTS

	100		220	
	1971 Best	Lifetime	1971 Best	Lifetime
KEN CURL	9.7	9.3	21.5	21.2
BOB BARMAYER	9.9	9.7	21.3 (SW)	21.9
JOHN ANDERSON	—	—	21.6	21.6
BILL RAINES	10.0	10.0	—	—

**OUTLOOK:** The loss of **Chuck Francis**, **Rick Tipton** and **Kevin McNair** is sure to be felt in the sprints. However, sophomore **Ken Curl** has shed 30 pounds from a year ago and looks primed to return to his outstanding high school form. **Bob Barmeyer** passed up his freshman season of competition a year ago, but competed well enough to win both the 100 (9.9) and the 220 (21.3) in Stanford's intramural competition. He has the potential to challenge **Curl** for supremacy in the sprints. **Bill Raines**, primarily a jumper, has the speed to pick up points in selected spots and will be a contributor in the sprint relay. **John Anderson**, **John Kessel** and **Bruce Henry** will add depth to the 220 and relay combinations.

**440 YARD RELAY TEAM:** The combination of **Bob Barmeyer**, **Bill Raines**, **John Anderson** and **Ken Curl** will probably run in that order for the Indians. At pre-season, the outlook can only be called "fair," but the emergence of **Curl** and **Barmeyer** as top flight sprinters could upgrade that rating considerably.

#### 440 YARD DASH

	1971 Best	Lifetime
JOHN ANDERSON	47.8	47.8
JOHN KESSEL	48.4r	48.5
BRUCE HENRY	49.6	49.4

**OUTLOOK:** **Jim Kauffman**, **Randy White** and **Pete Fairchild** all contributed points last year for the Indian cause in the quarter mile, and they are all gone. But, **John Anderson** is quickly establishing himself as a "class" 440 man and could run with the best in the Pacific-8. **John Kessel** and **Bruce Henry** are both young runners with their best times and races well ahead of them. The outlook here is "good" and, if the indications for potential are valid, this could become an "outstanding" event for The Tribe.

**MILE RELAY:** **Anderson**, **Kessel** and **Henry** could be joined by **Tom Long** (49.0), **Dave Bagshaw** (49.6) or **Mark Haight** (49.0). Any one of those three added to the trio of quarter milers could give Stanford a quartet to challenge the all-time school mark of 3:10.5. Freshman **Ben Scheible** (48.4r) is another consideration in the mile relay.

#### 880 YARD RUN

	1971 Best	Lifetime
DAVE WHITEING	1:54.0	1:52.3
BRIAN MITTELSTAEDT	—	1:54.0
DAVE HUSTWICK	1:56.0	1:54.3
BEN SCHEIBLE	1:55.2	1:55.2

**OUTLOOK:** This promises to be only a "fair" event for the Indians. **Pete Fairchild** and **Duncan Macdonald**, both point winners for the past three years, are gone now, leaving **Dave Whiteing** as the outstanding candidate. **Whiteing** enjoyed his best cross country season ever and has shown good improvement in the 880. **Brian Mittelstaedt** probably has the potential to be the top middle distance man, but his times have not yet reflected his ability. **Dave Hustwick** is a sophomore who was hampered by injury last year, but is running well in the early 1972 campaign. Freshman **Ben Scheible** could be a surprise in either, or both, the 440 and 880. He is a hard worker and has the speed and strength to be an early success.

**DAVE BAGSHAW**  
Leading Frosh Hurdler and 440 Runner

**MARK HAIGHT**  
Should Improve Best of  
53.2 in Intermediate  
Hurdles

**KEN CURL**  
Has Life Bests of 9.3  
and 21.2 in the Sprints

ARVID KRETZ	4:07.0	4:07.0
BRIAN MITTELSTAEDT	—	4:12.5
DECKER UNDERWOOD	—	4:10.2
DAN CAUTLEY	4:17.0	4:09.8
DAVE INGRAHAM	4:13.2	4:13.2
LES McFADDEN	4:16.8	4:16.8

**OUTLOOK:** Arvid Kretz ranks high in Stanford's all-time list of distance men. He is particularly effective when dropping down to the mile, especially when he does not have to double-up. He has had some problems with a fallen arch in the early season. If it does not continue to trouble him, Arvid should enjoy a fine season. Brian Mittelstaedt is an aggressive runner who should be ready to meet the best in the Pac-8 this season. Decker Underwood missed the entire 1971 season with injuries, but promises to be strong in '72. Sophomore Dan Cautley and J.C. transfer Les McFadden both have opportunities here. Dave Ingraham, a colorful freshman from Illinois, is another possibility in the mile.

MARK McCONNELL	9:14.0	9:14.0				
KURT SCHOENROCK	9:26.0	9:26.0				

**OUTLOOK:** When at his best, Arvid Kretz is one of the top distance runners in the Pacific-8. It's merely a matter of health and picking the race upon which to concentrate. Bernie Lahde is coming off his best cross country season ever and is now concentrating on the longer distances. He should lower his times in all categories in '72. Kurt Schoenrock and Mark McConnell, two varsity lettermen in cross country last fall, should add depth in the longer runs. Brian Mittelstaedt, Decker Underwood and Dan Cautley are also figured here in selected meets.

#### 3000 METER STEEPLECHASE

	1971 Best	Lifetime
BOB HAYMAN	9:49.0	9:49.0

**OUTLOOK:** Sophomore Bob Hayman is the frosh record holder and the most experienced runner in this event. Seniors Dave Daniel and Dave Greenlaw, along with sophomore Bob Schuchard and freshmen Ed Noyes and Dick Day are also possibilities in the Steeplechase.

#### 120 YARD HIGH HURDLES

	1971 Best	Lifetime
TOM LONG	14.2	14.2
JOHN ANDERSON	14.7	14.4w
MARK HAIGHT	14.7	14.7
DAVE BAGSHAW	14.1 (39")	14.1 (39")

**OUTLOOK:** This should be a good event for the Indians, with Tom Long improving on his 14.2 time of last year. John Anderson also has 14.0 potential, but it looks like the 440 will be his specialty. Mark Haight will be pointing for a big senior season and frosh Dave Bagshaw is counted on to make a quick adjustment from the 39" to 42" hurdles.

#### 440 YARD INTERMEDIATE HURDLES

	1971 Best	Lifetime
TOM LONG	52.3	52.3
MARK HAIGHT	53.2	53.2

**OUTLOOK:** Tom Long will probably be more effective here than in the short hurdle race. Mark Haight has the potential to lower his time and challenge Long for supremacy in this event. Both hurdlers should contend for Pac-8 honors.

**MEL HO**  
Outstanding Long and  
Triple Jumper

## FIELD EVENTS

### HIGH JUMP

	1971 Best	Lifetime
WALTER "SKIP" GRODAHL	6-9	6-9
TOM ANDERSON	6-6	6-6

**OUTLOOK:** The Indians should be improved in this event with frosh "Back-Flopper," Skip Grodahl leading the way. Skip is consistent at 6-8 and has done 6-9. Tom Anderson, with his distinctive "back-flop" style, should pick up 2nd and 3rd place points in this event.

### LONG JUMP

	1971 Best	Lifetime
TOM ANDERSON	25-2½w	25-2½w 25-1
MELVIN HO	24-4	24-4
BILL RAINES	22-11	22-11

**OUTLOOK:** This is a good event for The Tribe, with Tom Anderson leading the way. Tom, a fine competitor who jumps best under pressure, has the potential for 26 feet or better in '72. Transfer Mel Ho is a very smooth jumper and a sound technician. He should be able to double effectively in both the long and the triple jump. Bill Raines will double-up here in combination with the sprints and should improve considerably on his 22-11 of a year ago. Freshmen Mike Hall, Jim Bordoni and Derek Toliver are also to be considered here.

### TRIPLE JUMP

	1971 Best	Lifetime
ROD UTLEY	48-0	50-0
MELVIN HO	-	49-9
MIKE HALL	47-4	47-4

**OUTLOOK:** The loss of Allen Meredith will be felt in this event, but veteran Rod Utley and newcomer Mel Ho give the Indians the promise of many points. Utley suffered through much of 1971 with leg miseries, but should be ready, now, for his best year yet. Ho is a fast improving performer with great natural potential, and should soon go over the 50-0 mark. Mike Hall appears to be the best of the three frosh candidates here, but Toliver and Bordoni could make it, too.

### POLE VAULT

	1971 Best	Lifetime
TOM LINDSAY	15-0	15-½
PHIL HUBBARD	14-6	14-6½
KELLY LINDSAY	14-6	14-6

**OUTLOOK:** This will not be a strong event for the Indians, especially after the loss of Olympian Casey Carrigan. Tom Lindsay, suffering with leg miseries in the early season, must be considered a "question mark" in shooting for consistency over 15-0. Phil Hubbard and Kelly Lindsay will both be shooting at that same 15-0 mark in the early season.

### SHOT PUT

	1971 Best	Lifetime
RALPH BAKKENSEN	52-2½	52-2½
STEVE DOUGHERTY	-	50-9
PETE DREISSIGACKER	50-4	50-4

**OUTLOOK:** There is not a great deal of point potential for the Indians in this event, but Ralph Bakkensen is improving all the time. He's a highly motivated athlete who is looking for a breakthrough in this event. Steve Dougherty and Pete Dreissigacker will also compete for points in the shot.

## DISCUS

	1971 Best	Lifetime
JIM HOWARD	173-6	173-6
PETE DREISSIGACKER	165-5	167-3
DOUG ADAMS	165-5	165-5
JIM ROYER	164-11	164-11

**OUTLOOK:** This should be a consistently good event for Stanford, with any one of four throwers able to take a first in any meet. Veterans Pete Dreissigacker, Doug Adams and Jim Royer are all in position to top the 170-0 mark. But, freshman Jim Howard, the nation's leading high school discus thrower in '71, must be considered doubtful for the '72 season after a serious case of mononucleosis this past winter.

## JAVELIN

	1971 Best	Lifetime
STEVE HOPKINS	220-0	223-3
RICK LARSON	200-6	200-6
STEVE DOUGHERTY	178-6	178-6

**OUTLOOK:** The Tribe should pick up more points in this event than a year ago with the rapid improvement of Steve Hopkins and Rick Larson. Both throwers are consistently over 200-0 in the early season and improving all the time. Rose Bowl hero Rod Garcia could also be a surprise entry in this event.

### COACH PAYTON JORDAN

Internationally Known Coach and Sportsman Enters His 16th Year at the Helm of the Indians

## 1972 STANFORD TRACK AND FIELD COACHING STAFF

PAYTON JORDAN  
Head Coach (16th Year)

The extremely successful coach of the 1968 United States record-breaking Olympic track and field team, Payton Jordan has been a tireless worker in developing champions in this country for more than 30 years.

Jordan molded the U.S. contingent into a cohesive unit which won more medals and broke more records than any other team in history. But, Payton's accomplishments prior to his selection as Olympic coach are, perhaps, even more impressive.

During the summer of 1967 the National Association of Intercollegiate Athletics elected the former all-time great sprinter to its Hall of Fame for his coaching efforts at Occidental College. In his ten years at Oxy (1946-56) Jordan produced ten league championships, two NAIA titles and a 4th place finish in the NCAA finals. The path that took him to head coach at Occidental, and later to Stanford, began at the University of Southern California, where he was a three-sport star. Even before enrolling at SC, Payton had clocked times of 9.6 in the 100 and 21.1 in the 220 at Santa Monica Junior College. During the next two years on the Trojan campus, he captained the track squad, played rugby and started at halfback on a strong Trojan football team. After graduation, he ran the 100 in 9.5 to set a world record for grass tracks and later ran an unofficial 9.3 on a dirt track. In the service, he was an All-American halfback while competing for the Iowa Naval Air Station.

After his brilliant ten years at Occidental, Jordan moved to Stanford in 1957. In his 14 years on "The Farm" he has steadily built up the track and field program in the face of increasing academic pressures and rising admission standards. Competing in the Pacific-8, the toughest athletic conference in the country, Stanford has consistently held its own, a particular highlight being a 2nd place finish in the 1963 NCAA championships. The Indians always seem to produce a number of "world class" athletes, the most recent of which have been high jumper Peter Boyce, discus throwers Dave Weill and Bob Stoecker, sprinter Larry Questad and miler Ernie Cunliffe. Boyce, Weill, Questad and Cunliffe were all Olympians.

Jordan also has extensive experience on the international level. Four summers ago, he helped prepare the Yugoslavian National team for the European Championships in which it earned its first individual Gold Medal. A decade earlier, he helped the Greek Team prepare for the Olympics. During the 1964 Olympic Games, Payton was first assistant coach. He also assisted the U.S. team in the Maccabiah Games in 1965, the U.S. World Games team three years ago and coached the U.S. Deaf Games team in 1965 before being named head coach of the U.S. 1968 Olympic team.

Payton is remembered by many as the organizer and motivating force behind the fabulous United States vs. USSR competition in Stanford Stadium in 1962, often referred to as the most outstanding track and field event ever held in Northern California. The two day event attracted more than 150,000 spectators and added up to the most inspiring and emotional athletic meeting outside of an Olympic Games.

Elected President of the National Collegiate Track Coaches Association in 1958, Payton has been a vice president of the International Association since 1966. He has also worked on the U.S. Olympic Committee since 1961 and on the NCAA Rules and AAU track and field committees for four years each. A founder of the Southern California Striders, the 55-year-old Jordan virtually introduced indoor track and field competition to the San Francisco Bay Area.

Payton is the author of several articles and two books on Track and Field, including "Champions in the Making" which he co-authored with Stanford assistant track coach Bud Spencer in 1968. The likeable Jordan picked the 1972 winter indoor season for his competitive "comeback," winning a pair of 60-yard dashes in the excellent "senior" time of 7.1. At the San Diego Indoor Meet on February 19, The Coach made it a "triple slam," winning again over a classy field in the World Record Senior time of 7.0.

## MARSHALL L. CLARK

Assistant Coach  
Head Cross Country Coach (4th Year)

The highly successful coach of Stanford's Cross Country Team for the past four years, Marshall Clark brings unmatched enthusiasm and dedication into the Track and Field program as an assistant to Coach Payton Jordan.

Clark met with almost instant success in his first year as Head Cross Country Coach in 1968, guiding the Indians through an undefeated season and into a 2nd place finish in the NCAA Championships behind Villanova. That year, Marshall turned out the first two Stanford Cross Country All-Americans since 1964, Brook Thomas and Greg Brock. Brock repeated the honor in 1969 and Don Kardong followed as another All-American in 1970. To earn his recognition, Kardong was a 3rd place finisher in both the NCAA and AAU Championships in the winter of 1970-71.

In 1969 and 1970, Coach Clark's Cross Country Team finished third in the Pac-8 Championships. Just like Jordan, Marshall is a graduate of the University of Southern California, where he received a B.S. degree in 1957 and a Masters in 1958. The lanky Indian Coach lettered on the Trojan Track and Cross Country Teams of 1955, '56 and '57 and was a member of the 1955 NCAA championship squad. Marshall competed three years for the Southern California Striders, excelling in both the 440 and 880.

Clark spent his next ten years coaching Track and Cross Country at Los Altos High School in La Puente and at Monterey's Seaside High School. He headed the Los Altos track programs for nine years, before moving to Seaside in 1967. His cross country teams had an overall record of 79-18, while his track squads compiled a 56-31-1 mark. Marshall piloted six league championship cross country teams during that span, winning one CIF Southern Section Title, and three league championships.

In February, 1972 Marshall was accorded the honor of leading a contingent of United States athletes to Moscow for a three day International competition. With twelve nations represented, American Tommy White, under Clark's direction, skipped over the 60 meter high hurdles in the world record time of 7.4.

Clark is married and the father of 3 children.

### COACH MARSHALL CLARK

Developer of Stanford's Greatest Distance Runners

BUD SPENCER

Assistant Track and Field Coach

Bud Spencer, one of the greatest runners ever to attend Stanford, will be working with the sprinters and quarter milers this spring. Spencer was a member of the 1928 U.S. Olympic team, running a leg on the 1600 meter relay. He is a former record holder in two events, having run a leg on the U.S. relay quartet which established new marks in the mile and 1600 meters. Spencer is the co-author of "Champions in the Making" with head coach Payton Jordan.

## STANFORD STADIUM

All of Stanford's home track and field meets are held on the campus in historic Stanford Stadium, one of the largest and finest arenas of its kind in the country. The Stadium was built in 1921 with a seating capacity of 60,000 which, through subsequent additions, has now been raised to almost 90,000.

Stanford Stadium is the home of Stanford football in the fall, but it is internationally known as a track and field facility. In the fall of 1970 a rubber based "Medalist" running surface was installed on the 440 yard oval, and "Tartan" surfaces were installed for all field event runways and takeoff areas. The discus and shot put rings are cement circles. These improvements have brought Stanford Stadium into the "all-weather" category where track and field facilities are concerned, and, according to Coach Payton Jordan, "We have not missed a day of practice due to weather since our new surfaces were installed." In the recent past, Stanford track meets have had to be moved to the all-weather facilities of either Foothill College or San Jose State. This will not be the case for any future meets scheduled for Stanford Stadium.

Since its construction, the Stadium has been the site of several national and international meets, among the most recent the 1960 United States Olympic Trials and the 1962 Dual Meet between the Soviet Union and the United States. These two events broke all previous standards in the United States for attendance, caliber of competition, color and drama.

#### STANFORD TRACK AND FIELD HISTORY IN BRIEF

Stanford track and field athletes have been breaking countless world, national, regional, and event standards for nearly three-quarters of a century. Many participants have been members of Uncle Sam's Olympic Games squads and a number have won Gold, Silver, or Bronze medals. From a team standpoint, the Indians have won national, conference, and relay titles. The school's record over the years is one of the finest in the country.

The Indians' track and field history can roughly be broken into three great eras - The "Dink" Templeton Regime of 1918 and 1921-1939, The Jack Weiershauser Regime of 1946-56, and The Payton Jordan Regime of 1957 to the present.

The late Robert Lyman (Dink) Templeton was one of the greatest coaches the sport has known. His record speaks for itself. His teams won the then blue ribbon ICAAAA Meet four times, the NCAA thrice, and turned in a dozen world record performances.

Although Templeton's star pupils were legion, the name of Ben Eastman stands out above them all. Under Dink's guidance, Ben revolutionized middle distance running in the short space of two weeks. The world mark in the 440-yard dash of 47.4 had been set in 1916, and it was fairly generally accepted that this mark was quite safe. And it was, for 16 years, until March 26, 1932. That day at Angell Field, Eastman travelled the first 220 in 21.3 (faster than the flat 220 was run in the meet that afternoon) and broke the tape nearly 20 yards in front of the second-place man in the time of 46.4, a full second ahead of the old mark.

But Ben wasn't through rewriting the record books. Two weeks later, on April 9, he set out to break the half-mile mark of 1:51.6, set by the great German runner, Dr. Otto Peltzer in 1926. Lack of experience in the longer race caused him to run his first lap too slowly, but the second was a masterpiece and Ben broke the tape in 1:51.3.

Templeton always had great weight men. Never to be forgotten was the tremendous 1-2 punch of Harlow Rothert and the late Eric Krenz, 1928-30. The former set a world record of 52-1 5/8 in the shot put and the latter did likewise in the discus, 167-5 3/8, and each was close behind the other in his specialty. John Lyman was the first man in the world to put the shot 54 feet (54-1) in 1934.

The pole vaulters were headed by Bill Miller, 1932 Olympic Champion at 14-1 7/8, and Bud Deacon who cleared 14-2 3/4 in the University Championships in 1934. There were plenty of fine sprinters including Clyde Jeffrey, who held the school record, 9.4, for 24 years. The high jumpers, of course, were headed by 1928 Champion Bob King (6-6 5/8).

Another of Dink's prize pupils was "Iron Man" Jack Weiershauser, a star in the sprints, 440- and 220-yard low hurdles. He teamed with Jim Kneubuhl, Ray Malott, and Stan Hiserman (present coach at the University of Washington) to set a new world record in the 880-yard relay.

Later as head coach himself, Weiershauser - the "Iron Man" of the Dink Templeton era - coached two of the greatest all-around track and field athletes ever: Bob Mathias, 1948 and 1952 Olympic Decathlon Champion, and former world record holder, and Gay Bryan.

Mathias' efforts in the Olympic games are well known. In dual meets, he often entered five events, winning three and placing second or third in the other two. He still holds the All-Time Stanford record in the 110-meter hurdles at 13.8.

Bryan, on April 29, 1950, had the greatest afternoon ever turned in by a Redskin in a dual track and field meet. Against UCLA, Gay entered and won five events: high jump (6-4 3/8), 100 (10 flat); high hurdles (14.7), 220 (21.9); and long jump (23-1 1/2). In the Big Meet of May 7, 1949, he won four events: the 100 (9.8), high jump (6-4), 220 (21.1), and low hurdles (23.8), and placed second in the long jump by an inch.

The Weiershauser era also saw the greatest group of javelin throwers in Stanford history, including Bud Held, John Bugge, Bob Kimball, Leo Long, Kirk Nieland, Chuck Harlow Jr., Chuck Coker and Hank Roldan.

The Payton Jordan era is highlighted elsewhere in the book.

It is impossible, of course, to list all of the outstanding athletes who have competed in track and field at Stanford in such a short space. Many more names can be found in the records below.
