

6/1/73

San Jose State's Track squad collected 152½ points to 113 points for defending champion Long Beach State to capture the Pacific Coast Athletic Association track and field championships. The Ernie Bullard team also was undefeated in duo-meets in 1973 with wins over Stanford, Washington, Nebraska, Idaho and Oregon State. In the Oregon State clash Mark Shilling took the mile run against Ethiopian mile record holder Hailu Ebba who had a 15-yard lead at one point in the race. "I really thought he had me beaten" Shilling told reporters later. "We came off the turn and I said 'he's got it.' He was 15 yards ahead. But then he turned around to look at me and I thought maybe, just maybe, he was more tired than I was." Shilling's winning time was 4:07.5.
