1973 STANFORD TRACK & FIELD OUTLOOK

Just a year ago, Coach Payton Jordan was applying the "young and enthusiastic" tag to his Stanford track and field team. Now, much of the youth has turned into experience, and the enthusiasm is still there.

In the 1972 campaign, the Cards finished the dual meet season with an even 3-3 record, and then finished 7th in the Pac-8 Championships in Stanford Stadium May 19-20. From the group that accumulated Stanford's total of 23 points, only sprinter Bob Barmeyer will be missing. Barmeyer (9.8 and 21.7), a junior, and sophomore high jumper Skip Grodahl (6-10) have both chosen to give up competition in pursuit of other interests. More importantly, however, virtually every other point-winner has shown improvement and will have the benefit of another year of experience. Newcomers have also come along to strengthen the Cards in almost every area where a weakness existed a year ago, so the prospect for this year's team is much more hopeful than a year ago.

Unlike 1972, when the Cards were active in Stanford Stadium on only two occasions, this year will find them on the home ground on four occasions. Fresno State, San Jose State, Occidental College and California will provide the opposition, and local fans can also sit in on the excitement of the big double dual at Berkeley on April 21, featuring USC vs. Stanford and UCLA vs. Cal. Inasmuch as the Stanford relay teams have the promise of being outstanding in the coming year, the Cardinal participation in the Easter Relays, the Mt. San Antonio Relays, the West Coast Relays and the California Relays should provide great exposure and considerable national recognition. On the dope sheets of the early season, the mile relay and distance medley foresomes appear to have an excellent chance to rank with the best teams in the country.

In the sprint area, the loss of Barmeyer will most certainly be felt, but Ken Curl is on the threshold of becoming a "world class" sprinter. His 9.4 and 21.1 of a year ago should both fall to better clockings if his conditioning and early spring workouts are a valid indication. Due to lack of depth, the sprint relay combination will be "in tough" against the best teams in the Pac-8. Also, an injury to Curl could cause a disaster in the point columns of the 100 and 220. But, the quartet of Curl, Matt Hogsett, John Kessel and Co-Captain John Anderson reeled off a World Record 1:27.4 in the recent Bennion Indoor Relays at Pocatello, Idaho. The understatement would be that this brightened the sprint outlook considerably.

The 440, not a strong race for the Cards a year ago, will be much improved with Anderson and Kessel both promising to circle the oval in better than 48.0. In the 880, JC transfer Vernell Jackson has a best of 1:53.6, and surprising freshman Bruce Wolfe should improve markedly on his previous best of 1:57.0. On occasion, talented miler Brian Mittelstaedt (1:53.0) will "drop down" with point-winning potential.

The mile, with Mittelstaedt (4:05.3) and Les McFadden (4:06.9) dueling for supremacy, should provide some fast clockings and make this one of Stanford's strongest events.

The distance events, bolstered by the nucleus of a cross country team that went 6-0 last fall, should also see many points being registered in the Stanford column. Freshman Tony Sandoval will drop his 14:08.4 time in the 3-mile considerably and sophomore Mark McConnell will also crack the 14:00.0 barrier. Among others who will race in the distance and steeplechase events are Kurt Schoenrock (4:16 and 9:19) and an improving Dick Day.

Returning hurdlers Dave Bagshaw (14.2) in the highs and Tom Long (52.1) in the 440 IH, should be standouts in Pac-8 competition this spring. Long, a 2nd place finisher in the Pacific-8 Championships, appears to be a much stronger runner than a year ago and now displays the finesse of a veteran in his favorite event. Bagshaw, a Stanford frosh record holder in the highs, will be utilized in a variety of areas, but should be able to concentrate enough on his hurdle race to crack 14.0. Frosh hurdlers Hogsett and Gregg Densmore will provide good backup depth in both hurdle races, and JC transfer Kenny Kring is also a possibility in the 440 IH (53.9).

In the field events, the addition of outstanding freshman Terry Albritton will turn the shot put into a point-winner for the Cards, as this young man promises to be the first Stanford putter over the 60-0 mark. Co-captain Ralph Bakkensen (53-5) is also pointed toward improvement this year. Veteran discus throwers Pete Dreissigacker, Jim Royer and Jim Howard, along with newcomer Albritton, all have the potential for better than 170-0, making this a most promising event for the Cards. Junior javelin throwers Steve Hopkins (223-3) and Rick Larson (209-11) are hoping for consistency over the 220-0 mark, and, if so, this, also, will be a solid event for the Big Red.

In the jump events, Stanford can be rated from strong to mediocre. With seniors Tom Anderson, Rod Utley and Mel Ho performing up to capability, both the long and the triple jump should be more than adequate. However, the high jump, with the loss of Grodahl, and the pole vault without a 16-0 vaulter in sight, will both find the Cards on the short end of the point distribution.

Speaking of Kring, the junior transfer from Santa Maria has already achieved a 7,243 point total in the decathlon, and should progress through the season to be one of the best all around 10-event men in the country.

In summary, this year's Stanford team should be stronger and swifter than a year ago, but it must be remembered that the Pacific-8 encompasses the best track and field teams in the country. The outstanding strength will still rest with USC, UCLA and Oregon, with the other five schools scrambling for the highest possible finish behind them. Strangely enough, a team can be ranked 4th or 5th in the Pac-8 and still be among the "Top 10" in the United States. The 1973 season will find Stanford athletes pointed toward that kind of a situation, but with a home schedule twice as attractive as a year ago and some outstanding newcomers who should excite the legion of track buffs who will file into Stanford Stadium this spring.

WORLD RECORD HOLDERS

This swift quartet of Stanford runners stopped the clocks in the world indoor record time of 1:27.4 in the 880 yard relay at the recent Bennion Relays in Pocatello, Idaho. The record breakers are (L to R) Co-Captain John Anderson, Matt Hogsett, John Kessel, and Ken Curl.

SUMMARY OF 1973 TRACK AND FIELD PROSPECTS

TRACK EVENTS

THE SPRINTS

	100		220	
	1972 Best	Lifetime	1972 Best	Lifetime
KEN CURL	9.4	9.3	21.1	21.1
JOHN ANDERSON	10.1	10.0	21.4	21.4

OUTLOOK: The outlook here is excellent, as long as the swift Ken Curl remains healthy. John Anderson is a proven 220 runner, but does not have the striking swiftness to win many points in the 100. The loss of Bob Barmeyer (9.8 and 21.7) from last year will result in a loss of backup points, but some of the void could be filled by junior John Kessel on occasion. Also, freshmen Matt Hogsett and Shaun Sullivan could be called upon in the sprints.

440 YARD RELAY TEAM: The probable combination would include Tom Long, John Kessel, John Anderson, and Ken Curl. This will not be a strong event for the Cards, and they will have to look forward to starting off most meets with a 0-5 deficit to overcome.

440 YARD DASH

	1972 Best	Lifetime
JOHN ANDERSON	47.8	47.8
JOHN KESSEL	48.5	48.5

OUTLOOK: John Anderson and John Kessel should provide Stanford with a solid 1-2 combination in the quarter mile. From time to time, others could be called upon here, but that will depend upon the meet and the situation.

MILE RELAY: Last year John Anderson and John Kessel clocked 46.8 and 47.4 relay legs, respectively. With this kind of speed on which to build, Coach Payton Jordan can now fill out the quartet from a number of possibilities, including Tom Long (48.9r), JC transfer Vernell Jackson (48.7r), Dave Bagshaw (48.1r), Matt Hogsett (47.7r), Kenny Kring (49.0r), or sprinter Ken Curl (48.04). The foursome of Hogsett, Bagshaw, Kring and Anderson raced away with the mile relay in the San Francisco Examiner Indoor Games in a time of 3:24.0. However, the combination outdoors will likely be Anderson, Kessel, Bagshaw and Hogsett, and they will be aiming at the all-time Stanford mark of 3:10.5.

880 YARD RUN

	1972 Best	Lifetime
BRIAN MITTELSTAEDT	1:53.0	1:53.0 (1:51.4r)
VERNELL JACKSON	1:53.6	1:53.6 (1:51.9r)
LES MCFADDEN	1:54.2	1:54.2

OUTLOOK: This event can't be anything but improved from a year ago, and will probably be stronger when ace miler Brian Mittelstaedt "drops down" to the distance. However, JC transfer Vernell Jackson has promising ability, and, on occasion, another miler, Les McFadden, might be entered here. Even with the improvement, it must be noted that the Pacific-8 features some of the best half-milers in the nation, so points will be hard to come by in this event. Freshman Bruce Wolfe (1:57.0) is a possibility here, and so are Dave Hustwick (1:54.3), Ben Scheible, Jim Bordon, and Tom Pitchford.

MILE RUN

	1972 Best	Lifetime
BRIAN MITTELSTAEDT	4:05.3	4:05.3
LES MCFADDEN	4:06.9	4:06.9
DAN CAUTLEY	—	4:09.8

OUTLOOK: Mittelstaedt and McFadden should be one of the best 1-2 combinations among the Pacific-8 milers, and this must be rated as an outstanding event for Stanford. Support in the event can come from junior Dan Cautley (4:09.8); sophomores Dave Ingraham (4:13.2), Mark McConnell (4:16.6) and Kurt Schoenrock (4:16.2); and, freshmen Tony Sandoval (4:14.8) and Alan Cummings (4:18.1).

Junior JOHN KESSEL is a sure bet to improve on his 48.5 of a year ago in the 440.

Versatile Co-Captain JOHN ANDERSON will be a busy competitor in the 1973 campaign.

Senior TOM LONG has the potential to beat Stanford's all-time record of 50.7 in the 440 intermediate hurdles.

Sophomore MARK McCONNELL is an outstanding young prospect in the mile (4:16.6).

2 MILE - 3 MILE - 6 MILE

	2 Mile		3 Mile		6 Mile	
	1972 Best	Lifetime	1972 Best	Lifetime	1972 Best	Lifetime
MARK McCONNELL	9:10.4	9:10.4	14:07.2	14:07.2	29:47cc	29:47cc
TONY SANDOVAL	9:10.4	9:10.4	14:08.4	14:08.4	29:14cc	29:14cc
JACK BELLAH	9:18.0	9:18.0	-	-	30:30.0	30:30.0

OUTLOOK: The loss of Arvid Kretz will obviously be felt in these races, but McConnell and Sandoval seem destined for a rewarding season. The top Pac-8 teams, especially Oregon, excel in the distance races, and the young Card runners have a tough challenge to meet. Jack Bellah, a freshman from Los Gatos, is a possibility in these races, and so is Dan Cautley (9:23.8). The other possibilities include frosh Dan Newell (9:25.0), Dan Graham, Art Brown and Doug McLean.

3000 METER STEEPLECHASE

	1972 Best	Lifetime
BOB SCHUCHARD	9:57.2	9:57.2
DICK DAY	10:12.0	10:12.0
KURT SCHOENRICK	-	-

OUTLOOK: The prospect here seems much brighter than a year ago, but still only "fair" when related to the competition. Schuchard and Day have a year of experience behind them, and Schoenrock has shown in workouts that he can utilize his ability (4:16 and 9:19) in this tough event.

120 YARD HIGH HURDLES

	1972 Best	Lifetime
DAVE BAGSHAW	14.2	14.2
JOHN ANDERSON	14.6	14.4w
TOM LONG	14.8	14.2

OUTLOOK: This should be a rewarding event for the Big Red, especially with sophomore Dave Bagshaw improving so rapidly. Either Anderson or Long can back him up here, but Long will sometimes be saved for the longer hurdle race. Freshman Greg Densmore (14.0-39") and Matt Hogsett (14.4-39") will add depth here when needed.

440 INTERMEDIATE HURDLES

	1972 Best	Lifetime
TOM LONG	52.1	52.1
KENNY KRING	53.9	53.9

OUTLOOK: In the pre-season workouts, Coach Payton Jordan rated Tom Long as his most solid point-winner and best bet for an individual Pacific-8 Championship. Tom finished 2nd in this event a year ago and appears to have improved considerably through the fall and winter conditioning program. JC transfer Kenny Kring also has potential here, and so do Matt Hogsett and Dave Bagshaw.

FIELD EVENTS

HIGH JUMP

	1972 Best	Lifetime
TOM ANDERSON	6-6	6-6
DAVE BAGSHAW	-	6-5
BOB LANEY	-	6-4½

OUTLOOK: The loss of Skip Grodahl (6-10) hurts here, leaving Tom Anderson as the leading candidate to pick up some loose points. Dave Bagshaw, who will be busy in a number of other events, will also try to improve on his lifetime best of 6-5. This will, obviously, not be a strong event for the Cards.

Junior **DICK LARSON** expects to be throwing over 220 feet in the 1973 campaign.

Senior **PETE DREISSIGACKER** should improve on his best of 167-3 in the discus.

Triple jumper **ROD UTLEY** will be aiming at Allen Meredith's record of 52-3 this spring.

J.C. transfer **KEN KRING** is an improving pole vaulter and will point toward the decathlon later in the year.

LONG JUMP

	1972 Best	Lifetime
TOM ANDERSON	24-4 3/4	25-1 (25-2 1/2sw)
MELVIN HO	22-5 3/4	24-4
KENNY KRING	22-11	22-11

OUTLOOK: Hopefully, Tom Anderson will return to his form of 1971 and leap consistently at the 25 foot range. The backup strength is better than a year ago with JC transfer **Kenny Kring** and freshman **Shaun Sullivan** (22-7) competing for jumping spots.

TRIPLE JUMP

	1972 Best	Lifetime
ROD UTLEY	50-2	50-2
MELVIN HO	47-6 1/2	49-9
MIKE HALL	46-2 1/4	47-4

OUTLOOK: Should be a point-winning event for Stanford with **Rod Utley** working hard to improve on his best of 50-2. The Ho brothers, **Mel** and **Carlton**, will be backup men here and so will sophomore **Mike Hall**.

POLE VAULT

	1972 Best	Lifetime
KENNY KRING	15-1 1/2	15-1 1/2
PHIL HUBBARD	13-6	14-6 1/2
KELLY LINDSAY	13-6	14-6

OUTLOOK: JC transfer **Kenny Kring** will bid for points in this event, while working toward the 16-0 level. Returnees **Phil Hubbard** and **Kelly Lindsay** head the list of backup people, but sophomore **Chuck Harwood** (13-0) and freshman **Rod Wendt** (14-0) could figure in the picture.

SHOT PUT

	1972 Best	Lifetime
TERRY ALBRITTON	55-3 1/4	55-3 1/4
RALPH BAKKENSEN	53-5	53-5

OUTLOOK: Simply the addition of outstanding freshman **Terry Albritton** makes this a "much improved" event. Terry, without much doubt, should become the first Stanford shot putter over 60-0, and it just might happen this year. Co-captain **Ralph Bakkensen** is aiming at consistency in the 55-0 range, and incoming freshmen **Tom Banducci** and **Todd Anderson** are other possibilities.

DISCUS

	1972 Best	Lifetime
JIM HOWARD	169-7	173-6
JIM ROYER	165-0	165-0
PETE DREISSIGACKER	161-8	167-3

OUTLOOK: The trio listed above, plus the talent of **Terry Albritton**, should make this a most rewarding event for the Cards. All four should throw beyond 170-0, with **Howard** having an edge on the others. **Ralph Bakkensen** (154-5) may be called upon for backup duty here.

JAVELIN

	1972 Best	Lifetime
STEVE HOPKINS	210-3	223-3
RICK LARSON	209-11	209-11
PETE DREISSIGACKER	189-6	189-6

OUTLOOK: This promises to be a healthy event for Stanford with the veterans **Hopkins** and **Larson** aiming for consistency beyond 220-0. **Pete Dreissigacker** is another probable here, but he needs some improvement to be a point-winner.

DECATHLON

	1972 Best	Lifetime
KENNY KRING	7243	7243
TOM LONG	5503	5503

OUTLOOK: **Kenny Kring** should make this an outstanding event for Stanford in the NCAA Championships. If **Tom Long** decides to compete here, he should improve considerably on his previous point total of 5,503.

1973 STANFORD TRACK AND FIELD COACHING STAFF

PAYTON JORDAN
Head Coach (17th Year)

The extremely successful coach of the 1968 United States record-breaking Olympic track and field team, Payton Jordan has been a tireless worker in developing champions in this country for more than 30 years.

Jordan molded the U.S. contingent into a cohesive unit which won more medals and broke more records than any other team in history. But, Payton's accomplishments prior to his selection as Olympic coach are, perhaps, even more impressive.

During the summer of 1967 the National Association of Intercollegiate Athletics elected the former all-time great sprinter to its Hall of Fame for his coaching efforts at Occidental College. In his ten years at Oxy (1946-56) Jordan produced ten league championships, two NAIA titles and a 4th place finish in the NCAA finals. The path that took him to head coach at Occidental, and later to Stanford, began at the University of Southern California, where he was a three-sport star. Even before enrolling at SC, Payton had clocked times of 9.6 in the 100 and 21.1 in the 220 at Santa Monica Junior College. During the next two years on the Trojan campus, he captained the track squad, played rugby and started at halfback on a strong Trojan football team. After graduation, he ran the 100 in 9.5 to set a world record for grass tracks and later ran an unofficial 9.3 on a dirt track. In the service, he was an All-American halfback while competing for the Iowa Naval Air Station.

After his brilliant ten years at Occidental, Jordan moved to Stanford in 1957. In his 16 years on "The Farm" he has steadily built up the track and field program in the face of increasing academic pressures and rising admission standards. Competing in the Pacific-8, the toughest athletic conference in the country, Stanford has consistently held its own, a particular highlight being a 2nd place finish in the 1963 NCAA championships. The Cards always seem to produce a number of "world class" athletes, the most recent of which have been high jumper Peter Boyce, discus throwers Dave Weill and Bob Stoecker, sprinter Larry Questad and miler Ernie Cunliffe. Boyce, Weill, Questad and Cunliffe were all Olympians.

Jordan also has extensive experience on the international level. Four summers ago, he helped prepare the Yugoslavian National team for the European Championships in which it earned its first individual Gold Medal. A decade earlier, he helped the Greek Team prepare for the Olympics. During the 1964 Olympic Games, Payton was first assistant coach. He also assisted the U.S. team in the Maccabiah Games in 1965, the U.S. World Games team three years ago and coached the U.S. Deaf Games team in 1965 before being named head coach of the U.S. 1968 Olympic team.

Payton is remembered by many as the organizer and motivating force behind the fabulous United States vs. USSR competition in Stanford Stadium in 1962, often referred to as the most outstanding track and field event ever held in Northern California. The two day event attracted more than 150,000 spectators and added up to the most inspiring and emotional athletic meeting outside of an Olympic Games.

Elected President of the National Collegiate Track Coaches Association in 1958, Payton has been a vice president of the International Association since 1966. He has also worked on the U.S. Olympic Committee since 1961 and on the NCAA Rules and AAU track and field committees for four years each. A founder of the Southern California Striders, the 55-year-old Jordan virtually introduced indoor track and field competition to the San Francisco Bay Area.

Payton is the author of several articles and two books on Track and Field, including "Champions in the Making" which he co-authored with Stanford assistant track coach Bud Spencer in 1968. The likeable Jordan picked the 1972 winter indoor season for his competitive "comeback," winning a pair of 60-yard dashes in the excellent "senior" time of 7.1. At the San Diego Indoor Meet on February 19, The Coach made it a "triple slam," winning again over a classy field in the World Record Senior time of 7.0.

His most recent honor was being named to the United Savings-Helms Hall of Fame in Los Angeles this past summer.

PAYTON JORDAN, now in his 17th year at Stanford, was the coach of the 1968 United States Olympic Team in Mexico City and was just recently named to the Helms Athletic Hall of Fame.

MARSHALL L. CLARK

Assistant Coach
Head Cross Country Coach (5th Year)

The highly successful coach of Stanford's Cross Country Team for the past five years, Marshall Clark brings unmatched enthusiasm and dedication into the Track and Field program as an assistant to Coach Payton Jordan.

Clark met with almost instant success in his first year as Head Cross Country Coach in 1968, guiding the Cards through an undefeated season and into a 2nd place finish in the NCAA Championships behind Villanova. That year, Marshall turned out the first two Stanford Cross Country All-Americans since 1964, Brook Thomas and Greg Brock. Brock repeated the honor in 1969 and Don Kardong followed as another All-American in 1970. To earn his recognition, Kardong was a 3rd place finisher in both the NCAA and AAU Championships in the winter of 1970-71.

In 1969 and 1970, Coach Clark's Cross Country Team finished third in the Pac-8 Championships. Just like Jordan, Marshall is a graduate of the University of Southern California, where he received a B.S. degree in 1957 and a Masters in 1958. The lanky Cardinal Coach lettered on the Trojan Track and Cross Country Teams of 1955, '56, and '57 and was a member of the 1955 NCAA championship squad. Marshall competed three years for the Southern California Striders, excelling in both the 440 and 880.

Clark spent his next ten years coaching Track and Cross Country at Los Altos High School in La Puente and at Monterey's Seaside High School. He headed the Los Altos track programs for nine years, before moving to Seaside in 1967. His cross country teams had an overall record of 79-18, while his track squads compiled a 56-31-1 mark. Marshall piloted six league championship cross country teams during that span, winning one CIF Southern Section Title, and three league championships.

In February, 1972 Marshall was accorded the honor of leading a contingent of United States athletes to Moscow for a three day International competition. With twelve nations represented, American Tommy White, under Clark's direction, skipped over the 60 meter high hurdles in the world record time of 7.4.

Clark is married and the father of 3 children.

BUD SPENCER

Assistant Track and Field Coach

Bud Spencer, one of the greatest runners ever to attend Stanford, will be working with the sprinters and quarter milers this spring. Spencer was a member of the 1928 U.S. Olympic team, running a leg on the 1600 meter relay. He is a former record holder in two events, having run a leg on the U.S. relay quartet which established new marks in the mile and 1600 meters. Spencer is the co-author of "Champions in the Making" with head coach Parton Jordan.

STANFORD STADIUM

All of Stanford's home track and field meets are held on the campus in historic Stanford Stadium, one of the largest and finest arenas of its kind in the country. The Stadium was built in 1921 with a seating capacity of 60,000 which, through subsequent additions, has now been raised to almost 90,000.

Stanford Stadium is the home of Stanford football in the fall, but it is internationally known as a track and field facility. In the fall of 1970 a rubber based "Medalist" running surface was installed on the 440 yard oval, and "Tartan" surfaces were installed for all field event runways and takeoff areas. The discus and shot put rings are cement circles. These improvements have brought Stanford Stadium into the "all-weather" category where track and field facilities are concerned, and, according to Coach Payton Jordan, "We have not missed a day of practice due to weather since our new surfaces were installed." In the recent past, Stanford track meets have had to be moved to the all-weather facilities of either Foothill College or San Jose State. This will not be the case for any future meets scheduled for Stanford Stadium.

Since its construction, the Stadium has been the site of several national and international meets, among the most recent the 1960 United States Olympic Trials and the 1962 Dual Meet between the Soviet Union and the United States. These two events broke all previous standards in the United States for attendance, caliber of competition, color and drama.

STANFORD TRACK AND FIELD HISTORY IN BRIEF

Stanford track and field athletes have been breaking countless world, national, regional, and event standards for nearly three-quarters of a century. Many participants have been members of Uncle Sam's Olympic Games squads and a number have won Gold, Silver, or Bronze medals. From a team standpoint, the Cards have won national, conference, and relay titles. The school's record over the years is one of the finest in the country.

The Stanford track and field history can roughly be broken into three great eras - The "Dink" Templeton Regime of 1918 and 1921-1939, The Jack Weiershauser Regime of 1946-56, and The Payton Jordan Regime of 1957 to the present.

The late Robert Lyman (Dink) Templeton was one of the greatest coaches the sport has known. His record speaks for itself. His teams won the then blue ribbon ICAAAA Meet four times, the NCAA thrice, and turned in a dozen world record performances.

Although Templeton's star pupils were legion, the name of Ben Eastman stands out above them all. Under Dink's guidance, Ben revolutionized middle distance running in the short space of two weeks. The world mark in the 440-yard dash of 47.4 had been set in 1916, and it was fairly generally accepted that this mark was quite safe. And it was, for 16 years, until March 26, 1932. That day at Angell Field, Eastman travelled the first 220 in 21.3 (faster than the flat 220 was run in the meet that afternoon) and broke the tape nearly 20 yards in front of the second-place man in the time of 46.4, a full second ahead of the old mark.

But Ben wasn't through rewriting the record books. Two weeks later, on April 9, he set out to break the half-mile mark of 1:51.6, set by the great German runner, Dr. Otto Peltzer in 1926. Lack of experience in the longer race caused him to run his first lap too slowly, but the second was a masterpiece and Ben broke the tape in 1:51.3.

Templeton always had great weight men. Never to be forgotten was the tremendous 1-2 punch of Harlow Rotherth and the late Eric Krenz, 1928-30. The former set a world record of 52-1 5/8 in the shot put and the latter did likewise in the discus, 167-5 3/8, and each was close behind the other in his specialty. John Lyman was the first man in the world to put the shot 54 feet (54-1) in 1934.

The pole vaulters were headed by Bill Miller, 1932 Olympic Champion at 14-1 7/8, and Bud Deacon who cleared 14-2 3/4 in the University Championships in 1934. There were plenty of fine sprinters including Clyde Jeffrey, who held the school record, 9.4, for 24 years. The high jumpers, of course, were headed by 1928 Champion Bob King (6-6 5/8).

Another of Dink's prize pupils was "Iron Man" Jack Weiershauser, a star in the sprints, 440- and 220-yard low hurdles. He teamed with Jim Kneubuhl, Ray Malott, and Stan Hiserman (former coach at the University of Washington) to set a new world record in the 880-yard relay.

Later as head coach himself, Weiershauser - the "Iron Man" of the Dink Templeton era - coached two of the greatest all-around track and field athletes ever: Bob Mathias, 1948 and 1952 Olympic Decathlon Champion and former world record holder, and Gay Bryan.

Mathias' efforts in the Olympic games are well known. In dual meets, he often entered five events, winning three and placing second or third in the other two. He still holds the All-Time Stanford record in the 110-meter hurdles at 13.8.

Bryan, on April 29, 1950, had the greatest afternoon ever turned in by a Stanford athlete in a dual track and field meet. Against UCLA, Gay entered and won five events: the 100 (10 flat), high jump (6-4 3/8), high hurdles (14.7), 220 (21.9), and long jump (23-1 1/2). In the Big Meet of May 7, 1949, he won four events: the 100 (9.8), high jump (6-4), 220 (21.1), and low hurdles (23.8), and placed second in the long jump by an inch.

The Weiershauser era also saw some of the greatest javelin throwers in Stanford history, including Bud Held, John Bugge, Bob Kimball, Leo Long, Kirk Nieland, Chuck Harlow Jr., Chuck Coker and Hank Roldan.

The Payton Jordan era is highlighted elsewhere in the book.

It is impossible, of course, to list all of the outstanding athletes who have competed in track and field at Stanford in such a short space. Many more names can be found in the records below.
