

# USC Track Performers Win 9 Events in Meet

2/23

Sprinter Guy Abrahams and high jumpers Dean Owens and Jerry Culp led the way Saturday as USC won nine events in a non-scoring track meet with San Diego State, UC Irvine and Long Beach State at UC Irvine.

Abrahams, a transfer from New Mexico Junior College, won the sprints in 9.5 and 21.0. A wind helped the sprinters but there was no gauge to record the official velocity.

Owens and Culp jumped 7-1, then failed at 7-3.

Steve Williams of San Diego State, National AAU sprint champion, competed only in the 440 and mile relays. He made up 3 yards in the 440 to carry the Aztecs to a 40.8 victory. In the mile relay, he took off 60 yards behind USC's Greg Jones, made up 30 yards, then trotted in as he saw there was no chance to catch the Trojan.
