

CADET ATHLETICS

Not all athletes become Air Force Academy cadets, but all Air Force Academy cadets become athletes. Few schools in the country have as broad or as extensive an athletic program as the Air Force Academy.

The goal of the athletic program is to develop such traits as persistence, will to win, aggressiveness and courage—all characteristics of a good leader. The Academy curriculum is divided into three main areas: academics, military training, and athletics. A cadet must excel in all three areas to earn his second lieutenant commission and bachelor of science degree.

Under the guidance of Athletic Director Col Frank Merritt, the athletic program is broken down into three subdivisions: intercollegiate, intramural, and physical education.

Eighteen intercollegiate sports are played and represent the highest form of competition for cadet athletes. Varsity teams compete against some of the top teams in the nation in football, cross country, soccer, water polo, basketball, fencing, rifle, pistol, ice hockey, gymnastics, indoor track, wrestling, swimming, baseball, outdoor track, lacrosse, golf, and tennis.

The intramural program is conducted by cadets under the supervision of the Department of Physical Education. Each cadet squadron fields a team in each of 16 sports—tackle football, soccer, tennis, flickerball, lacrosse, boxing, wrestling, water polo, handball, squash, rugby, basketball, swimming, volleyball, cross country, and team handball.

Each cadet takes physical education courses during his 4-year stay. Courses are designed to develop physical fitness, teach unarmed combat, instructor training, and sports such as tennis, golf, squash, and handball which will enable an officer to maintain fitness throughout his career.

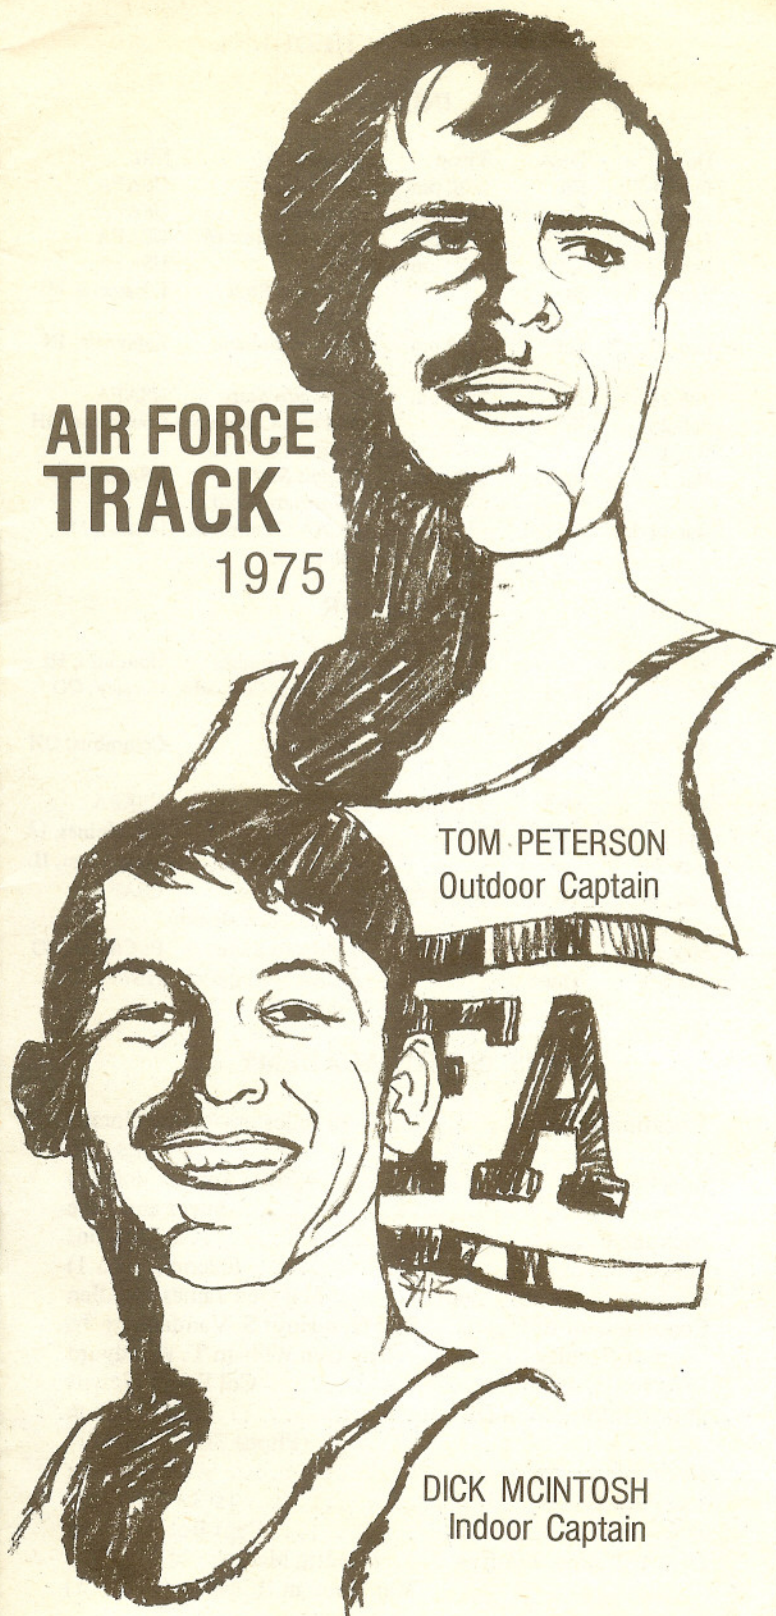

Cadet athletes enjoy the best facilities available anywhere. The cadet gymnasium contains 20 squashball courts, 19 handball courts, three basketball courts which have cross-court floors, two swimming pool areas, an indoor rifle and pistol range, gymnastics, wrestling, fencing, and boxing rooms, a supply area, lockers for all cadets, and coaches offices.

The \$5.6-million field house contains a 1/6-mile indoor track with an Astro-Turf infield, a basketball court with Tartan floor for varsity competition, a regulation ice hockey rink, lockers for cadets, and the offices of the Department of Athletics.

In addition to Falcon Stadium, outdoor facilities include 45 athletic fields for intercollegiate and intramural sports covering 140 acres, two baseball diamonds, and an all-weather track.

THIS IS THE ACADEMY

Location	10 miles north of Colorado Springs, CO
Enrollment	4,300 (Approximately)
Colors	Silver and Blue
Nickname	Falcons
Mascot	Falcon (Mach 1)
Academy Superintendent	Maj Gen James R. Allen
Commandant of Cadets	Brig Gen Hoyt S. Vandenberg Jr.
Dean of Faculty	Brig Gen William T. Woodyard
Director of Athletics	Col Frank Merritt
Sports Information Director	Hal Bateman (Phone 303-472-2313)
Head Coach	Arne Arnesen
Assistant Coach	1st Lt Jim Scott
JV Coach	Capt Bob Lambert
Officer Representatives	Maj Jim McCormack (indoor) Maj Norman Roderick (outdoor)

MEET THE FALCONS

DICK McINTOSH – This season's indoor track captain, Dick could wind up the best hurdler in Falcon track history, already holding or sharing four school records. He holds outright the school marks in the 60 high hurdles at 7.1 and the 50 high hurdles at 6.3 and shares the school marks in the 70 high hurdles at 8.6 and the 120 high hurdles at 14.1. He also has run 54.9 for the 440 hurdles. A graduate of Marshfield HS in Coos Bay, OR, he won the state high hurdles title in 1971 and had a prep best of 14.2. He has competed for the last three indoor seasons in the NCAA indoor championships. He is also one of the top students on the team with a 3.5 cumulative average (based on a 4.0 scale) in a geography major.

TOM PETERSON – The outdoor track captain, Tom is a threat to the school hammer record after posting a best of 162-5 last season, second best throw in school history. Tom learned to throw the hammer at the Academy, competing in track as a shot putter at Wayzata HS in Minneapolis. A behavioral sciences major, he also has earned three varsity football letters and was a starting offensive tackle last fall.

JOE KAHIAPO – One of the most versatile athletes on the team, he can run the sprints, hurdles, or the relays. This Kailua, HI, senior has bests of 6.5 in the 60, 9.7 in the 100, 7.3 in the 60 high hurdles, 6.8 in the 60 low hurdles and 14.3 in the 120 high hurdles. His 6.8 in the 60 low hurdles equals the school record. A management major, he attended Kamahameha HS. He was a state hurdles champion and half held the state record.

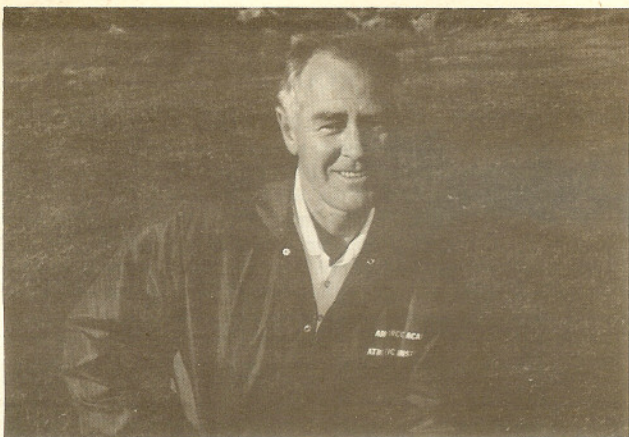

MIKE MCGINNIS – A junior from El Paso, TX, Mike is a threat to break both the indoor and outdoor shot put records this season. His best last season was 52-7 1/4 and he also saw some duty as a hammer thrower. All-district at Eastwood HS, he is majoring in geography.

T. G. PARKER – An outstanding prospect, he set a Falcon freshman record last season by running 7.2 in the 60 high hurdles. He also ran 6.9 in the 60 low hurdles but did not compete in outdoor track because of football commitments, where he earned a starting role at safety last fall. He was an outstanding prospect at Burbank HS in Sacramento, CA, posting a best time of 14.0. T.G. competed in the NCAA indoor championships last season.

MIKE RYAN – The top prospect in the 440, Mike has a best indoors last season of 48.8 and competed in the NCAA indoor championships although only a freshman. He also competed on the varsity football team last fall as a reserve split end. A 1973 graduate of Wooddale HS in Memphis, TN, Mike was Tennessee state champion in the 440 as a senior. A geography major, he has a younger brother, Terry, who is on the junior varsity track team.

JOE SHIREY – A junior from Omaha, NB, Joe holds a share of the school record in the 60 at 6.2, a time that has qualified him for the NCAA indoor championships the last two seasons. His other bests include 9.7 for the 100, 21.4 in the 220 and 32.4 in the 300. A management major, Joe earned all-state honors as a sprinter at Bellevue HS in Nebraska.

MARK WEBSTER – Although only a freshman last season, he was the top man in the 600 with a 1:12.1 performance, also clocking 48.9 in the 440. Mark figures to be even better this season and will also see dual duty as a relay man. He was an outstanding runner at Boone HS in Orlando.

COACH ARNE ARNESEN

The busiest coach at the Air Force Academy and among the most successful in the nation, Arne Arnesen has been at the helm of four cadet varsity programs since his arrival in 1957. Arne has been head coach of the outdoor and indoor track teams since 1958 and cross country since 1961. Showing his versatility, Arne also coached varsity soccer for five years, starting in 1957.

A 1947 graduate of the University of Wisconsin, Arne has coached seven All-Americans, five in cross country and one each in indoor and outdoor track. Cross country All-Americans include Jim Murphy in 1964, Terry Gruters in 1967, Mike Ryan in 1967, 1968 and 1969, Dennis Sbach in 1971, and Jim Koster in 1973. Ryan was also national champion in 1968. Doug Withers won his honors in the indoor 440-yard dash in 1967 while Murphy's 5,000-meter performance in 1964 made him NCAA co-champion and record holder.

A pole vaulter during his undergraduate years, Arne has a master's degree in education from Springfield and coached track and soccer at the Massachusetts Institute of Technology.

In addition to his coaching duties, Arne is a physical education instructor and charter member of the International Track and Field Coaches Congress. He was president of the US Cross Country Coaches Association and the Central Collegiate Conference during 1971 and is on the Executive Committee through 1975.

THE AIDES

CAPT BOB LAMBERT Head Junior Varsity Coach

Starting his first season as head junior varsity coach is Captain Bob Lambert, who served as assistant varsity coach last season. One of the top athletes in Falcon track history, Captain Lambert is a 1965 Academy graduate who still holds two Academy track records with a 6-9 mark in the outdoor high jump and a 240-10 effort in the javelin. In 1965, he placed sixth in the javelin at the national collegiate outdoor championships. In addition to his coaching duties, Captain Lambert is a physical education instructor.

1ST LT JIM SCOTT Assistant Varsity Coach

First Lieutenant Jim Scott is in his first season as assistant varsity coach and also serves as a physical education instructor. A native of Altus, OK, Lieutenant Scott is a 1971 graduate of the University of South Carolina, where he was an outstanding pole vaulter. Prior to being assigned to the Academy in 1973, he was stationed at McGuire AFB, NJ.

CADET FIELD HOUSE RATES WITH BEST

One of the most impressive sports buildings in the country is the Air Force Academy's field house, a modern versatile structure with seemingly endless uses. The \$5.6 million building is five stories high and 396 feet by 425 feet, the size of three football fields laid side by side. It is divided into three areas: basketball arena, ice hockey arena, and a massive multipurpose area. The three sections have a combined seating capacity of 11,000 and provide space for competition in basketball, track, soccer, golf, and tennis, as well as for intramural events.

Both Tartan and Astroturf surfaces were utilized in the building. The basketball court and indoor track are covered with Tartan surfaces. The basketball court is not as hard as the conventional wooden courts and provides good traction. The one-sixth-mile track also is covered with Tartan surface, but a rougher version. It requires less maintenance than the normal track and provides greater traction to the runners. Inside the track is a netted area 119 by 125 feet which includes a baseball infield and half of a football field.

Spectators for both the hockey and basketball games are seated above the playing surface, with participants on the lower level. The lower level includes dressing rooms, supply areas, medical rooms, and laundry. Also on this level are the offices of the department of athletics.
