LATE NEWS: - We don't have full reports from Mt. SAC yet, so that'll be next issue...however, big Mac Wilkins whirled the discus 226-11 to better John Powe11's world record by 4 inches. Stanford's Tony Sandoval did 29:20.2 for 10,000 meters to win and set a meet record. John McCollum of the Bay Area Striders upset a top field to win the 100 meters in 10.3. --- At the Sac'to Prep Meet, Tim Holmes nipped Tim Farrell, 9:15.6 to $9: 15.8$ to win the $2-\mathrm{mile}$ there, with Tom $0^{\prime}$ Neil third, $9: 20.2$.

## CHOI OUTLASTS FIELD IN CAMELLIA FESTIVAL 100-MILER: (March 13,

 Sacramento) - The course was a loop of 4540 feet on a cement sidewalk. The very hard surface, and the temperatures which approached 80 -degrees (with fairly high humidity) made this year's race more difficult than usual. Don Choi, who led John Arberry by about 15 minutes in the early going, was passed at 40 miles and was about an hour behind at 60 miles. From there he gained and went ahead to stay after 80 miles , recording a $21: 36: 31$ for the full 100 miles. Arberry was the only other finisher in 23:26:06. They both join Natalie Cullimore as the only two-time finishers of this run! Cullimore's 16:11 in 1971 is still the world best for women. Others who started but didn't finish (who can blame them?): Mike Chatterton 15:46 for 57.6 miles ; Noe Vigil 9:18:30 for 56.8 miles; Andrew Levinson $6: 43$ for 50.7 miles; Steve \& Terry Chatterton 13:44 for 50 miles; Tate Miller 11:22:15 for 49.9 miles; Jack Wiley $9: 36: 10$ for 43.9 miles; Jim Bevans $5: 59: 45$ for 37 miles; Tony Stratta 9:00:00 for 31.8 miles; Sue Neary 3:53 for 21.5 miles. /John Hill/6TH NORMAN K.
