CLIFF ABEL

Directing the Long Beach track and field squad in 1979 will be Cliff Abel, 48, a proven winner with more than 25 years of coaching

experience behind him

Although only in his first year at the helm of the 49er program, Abel is no stranger to the Southern California track scene. For the past six years, he has been the Head Coach at Cal State Northridge and during that period built that school into an NCAA Division II power, winning the national championship in 1975 and simultaneously earning Coach of the Year honors in Division II.

Abel captured three conference titles at Northridge, produced 48 All-Americans and his teams never finished out of the Top 10 in the NCAA Division II Championships.

Although acknowledged as an authority on distance running, Abel has turned out premier athletes in a variety of events. Among the outstanding spikers to develop under Abel are Sylvester Marshall, an NCAA discus champion, NCAA high jump champion Clarence Frazier, Ed Chaidez, a national titlist at 10,000 meters, and hurdler Doug Jones, who finished second in the NCAAs behind Olympic gold medalist Rod Milburn and now plays football in the NFL.

Abel's 400 meter relay teams have placed in the national meet four times, winning the event in 1974 and coming home second in

~~~~~~~~~~~~~~~~~~~~~~~~

Abel was an All-American in cross country at his alma mater, the University of Kansas, in the early 1960's. He ran on three record breaking distance relay teams as an undergraduate and later received his masters degree there.

While in the service, Abel began his coaching career in 1953, piloting the track and cross country teams at Fort Carson, Colorado. In 1957 he landed his first high school position at Northeast High in Kansas City. From there he moved to West High School in Shawnee Mission, Kansas.

Abel came West in 1970 to take the head cross country and assistant track jobs at Sacramento State. At Sacramento, he worked under Stan Wright, who has coached several U.S. Olympic teams. One year later, Abel gained the head coaching position at

Northridge.

He was an instructor on "Intermediate Hurdles," at the U.S. Olympic Committee Track Clinic at West Point, New York in 1973. He made a presentation on the "Training and Conditioning of the Middle and Long Distance Runner," at Stovall's All Sports Clinic in Anaheim, in 1976. Abel was the "Track and Field Representative" for the National Association for Sport and Physical Education's Goodwill Exchange Program in Mexico City in 1976.

Also cross country coach at CSULB, Abel is a past president of the Division II Cross Country Coaches' Association and has served on many national associations and

Abel and his wife, Merilyn, reside in Canyon Country with their two sons.

#### RETURNING STARS TO CARRY LOAD UNDER NEW COACH

In 1978, the California State University, Long Beach track and field team put together one of the finest overall campaigns in the school's history. Eleven individuals qualified for the prestigious NCAA Championships, the 49ers were again among the top dual meet teams in the nation and six school records were broken or tied.

But that was 1978, and in 1979 the 49ers will be going through what first-year Head Coach Cliff Abel describes as a "transition year." The talent at the top end of the squad looks as potent as ever, but thinness in several events and down through the ranks may prevent the 49ers from matching last season's successes.

"To use coach's jargon, this will be a rebuilding or transition year for us," says Abel, who was appointed to his current position late last summer, too late to do much effective recruiting. "We've lost a lot of people, we're changing the staff and had no recruiting. There are a lot of question marks and it's really too early to give a definitive answer concerning our potential this season."

In '78, Long Beach finished second in a tight PCAA race, behind UC Irvine and just ahead of San Jose State. Abel feels that most track experts would rate his squad a notch lower this season.

"Although it's hard to say this early, I think most people will rank us third going in," Abel commented. "We have some outstanding individuals and could conceivably upset either San Jose State or UC Irvine in dual meets, but I'm not sure that we have enough depth to win the conference.

On paper though, we have potential in almost every event."

When Abel wants to discuss quality athletes in his group, he usually turns his attention directly to the field events, where the 49ers return four men who qualified for last spring's NCAA Meet in Eugene, Oregon.

That quartet consists of Keith Taylor, the school record holder in the long jump (26-01/2) and a 53-foot plus triple jumper, All-American Craig Wilson, who finsihed fifth in the pole vault at Eugene, and the Fuller brothers, David and Paul. David Fuller is the school record holder in the hammer throw (198-5) and qualified for the nationals in three events, but will have his hands full trying to hold off Paul Fuller, who gives Abel formidable one-two punch in the hammer, shot put and discus.

"Those four all have NCAA point potential," Abel noted, "We will be relying on them to score heavily in most dual meets. Wilson is a very consistent vaulter and Taylor and the Fullers are very versatile.

Taylor may be the outstanding athlete on our team. He will probably run the sprints and a relay leg in addition to the jumps."

The 49ers' field event prowess does not begin and end with "the big four," however, and the non-running events are undoubtedly the strongest overall area Abel has.

JC transfer Glenn Davis (24-6 and 50-11) will team with Taylor to give the 49ers a talented combination in the horizontal jumps and senior Rick Moore (215-6) will provide quality in the javelin. Seven-foot high jumper Steve LaRusch is back after suffering a broken foot last spring and Abel believes

that sophomore Mitch Zarders is ready to reach the same plateau.

Most of the 49ers' shortcomings surface outside the field events. The sprint corps appears to be weaker than last year and the prospects in the hurdle races are marked by the same lack of depth that plagued the team in '78.

"We have several sprinters who could develop but right now no one person has clearly been able to dominate," Abel said. "We have a good young quartermiler in Tony Thompson (47.9) and Michael Allen (47.9) has looked good."

Abel is relying primarily on Winston Lindsey, a JC transfer, and freshman Sam Collins to hold up the 49ers in the hurdle races.

The middle and long distance crews have a somewhat more optimistic outlook. Back are Colin McConnell, who qualified for the NCAAs in the 5,000 meters as freshman, steeplechaser Dennis Wilson and half-miler Philip Wingard. Newcomers include State JC 1500 meter champion Robert Angel, service veteran Dave Huggins and transfers George Gilbert and Hopeton Rochester.

"Angel could be a sub-four minute miler before he leaves here,." declared Abel, "and our distance crew has the potential to be very good."

Abel will have ample opportunity to guage the power of his spikers due to a typically rugged dual meet schedule that includes UCLA, San Diego State and San Jose State.

"Our top dual meets will be good yardsticks by which we can measure our ability and improvement," Abel said. "Our realistic goal this season is to win the PCAA Championship, but we may be a year or so away."

#### **EVENT BREAKDOWN**

Sprints—Traditionally a strong area at Long beach, the dashes are a big question mark in '79. All four members of last year's NCAA relay unit are gone, and although Arthur Green (10.2-20.8), Curtis Adkins (10.4-20.8) and Leo Hebert (10.3) all have top clockings, they have yet to be tested by major college competition. Isaac Cooper, Sidney Menzies and Robert Jackson are other potential scorers here.

400 Meters—The 49ers lose big guns Hubert Beasley and Bryan Saunders and will be young and inexperienced in what is another traditionally strong event. Freshman Tony Thompson (47.9) was fourth in last year's State High School Meet and could be the number one man. He will be pressed by Michael Allen (47.9) and Matt Duncan (49.5), who has already broken his lifetime best in pre-season workouts.

800 Meters—NCAA qualifier Odie Huffman is gone, leaving senior Phil Wingard (1:51), JC transfer Hopeton Rochester (1:51) and promising Bernard Fitchpatrick (1:54) to fill the gap. Miler Robert Angel, who has gone 1:53 is also available.

1500 Meters—Forty-Niners figure to be tough here with State JC champion Angel (3:49.2) on hand. Colin McConnell (3:50.5), who prefers a longer race, may run here occasionally. Fast-improving Scott Roley (3:59.9) and senior Wingard (3:53.6) will add depth.

5000 & 10,000 Meters: Potentially one of the top areas on the squad. McConnell (14:12.2) was an NCAA qualifier in the 5,000 as a freshman and will be joined by Dave Huggins, a service veteran. Huggins has run an impressive six-mile (28:36) and has posted a 13:56 clocking for three miles. Freshman Jim McManus, who impressed Abel during cross country, Steve Loken, Dennis Wilson and George Gilbert may also be used here.

3,000 Meter Steeplechase: Senior Dennis Wilson (9:02.4) figures to carry the load here, especially during the early going. Huggins, Loken and Bill Littmann are also expected to help.

110 Meter Hurdles— Lack of depth could make this event one of the 49ers' weakest. With school record holder John Peterson missing, the burden will fall on JC transfer Winston Lindsey (14.2).

400 Intermediate Hurdles—Lindsey will double in the intermediates (54.0) and has experience, but freshman Sam Collins could be a top threat in this race. Both figure around 51.0.

Relays—The sprint corps may fare better collectively than individually. Those mentioned in sprint outlook are also frontrunners for the one lap baton race. Keith Taylor is also a possibility. The 1600 relay outfit looks quite a bit weaker than last year's model, with several middle distance men vying for spots with the quarter milers.

Shot Put—The brother combo of David (59-7) and Paul Fuller (53-7) will make the weight events a plus area for the 49ers. Junior Eric Grow is also a threat to score.

Discus—The Fullers, Grow and sophomore Greg McSeveney make this a very solid event for the 49ers. David Fuller's 192-4 is the standout mark in the group and the discus is the best event for Grow.

Hammer—Another Fuller brother affair. David owns the school record at 198-5 and made the NCAA finals in the event. Abel feels Paul Fuller is much improved and will give the 49ers a one-two punch that will be tough to break up.

Javelin—Rick Moore (215-6) and Harol Tyson (190-0) are back and newcomer Martin Pastucha (196-0) will join them to give the 49ers a good trio here.

High Jump—Could be a surprisingly strong area for the Long Beach spikers. Steve LaRusch (7-0 3/4) has already broken the seven-foot barrier and sophomore Mitch Zarders (6-10) is capable of doing the same according to Abel.

Pole Vault—All-American Craig Wilson, the fifth place finisher at last year's NCAA Championships (17-1), is back and being counted on to return to that form. Forty-Niners are thin after Wilson though.

Long Jump & Triple Jump—School long jump record holder Keith Taylor (26-0) returns and gives Abel an NCAA class performer in both events. Taylor, who has gone 53-8 in the triple, may be the 49ers' top individual athlete. Glenn Davis from Los Angeles City College (24-6) is also a quality jumper. Davis has gone over 50 feet in the triple jump, while Jeff Suttles and Ramon Seranio are approaching that plateau.

#### LES BERMAN

After a highly successful first year, one that placed several athletes among the top five finishers in the AIAW, Les Berman returns for his second season as head coach of the 49ers women's track team.

A familiar name in the world of women's track, Berman, in 1972 and again in 1977 was selected as a U.S. International Women's Track and Field Coach. He comes to Long Beach after serving as coach at Bellflower and Paramount High Schools and as coach of the highly prestigious Lakewood International Women's Track team.

A graduate of CSULB with a degree in sociology in 1970, Berman received his masters degree from Pepperdine University in 1975.

During and since that time the list of excellent performers who have trained under Berman's watchful eye, is both extensive and impressive. From the 1976 Olympics alone Berman currently has three veterans in the high jump, Andrea Lynch, who finished 6th in the 100 meters at Montreal and Sherron Walker, a 21-8 long jumper. Others include: Kim Attesey (1972 Olympian—Long Jump), Sandi Goldsberry (1972 Olympian—High Jump), Pat Donnelly (1975 Pan American Games Team—100 meter hurdles) and Vivian Turner (1973 U.S. International Team—Discus).

#### WOMEN'S TRACK TEAM AIMS FOR NATIONAL SUCCESS

Boasting three Olympians and possibly their best all-around group ever, the California State University, Long Beach women's track and field team hopes to be battling for one of the top spots at this year's national meet.

The three Olympic veterans, sprinter Andrea Lynch (11.16-22.8), who finished 6th in the 100 meters at Montreal, high jumper Joni Huntley (6-4) and long jumper Sherron Walker (21-8) are all viable candidates for individual championships in '79.

"We have some super frontline talent this season," said Head Coach Les Berman, "but this is probably the best-balanced team we've ever had."

Spearheaded by Huntley and Walker, the field event corps figures to be the strongest part of the team. Included in Berman's field event arsenal are shot putter Emily Dole (51-6), javelin thrower Keri Camarigg (167-10) and 5-9, high jumper Fern Simon.

"Our field event group should be able to stand in there with anybody," Berman declared. "We look to be pretty strong in every event."

The 49ers are not without talent on the track. Four hundred meter hurdler Patty Cape (60.8) is a blue chipper and freshman half-miler Teresa Jenkins (2:08) is a prize recruit. Evelyn Grimm and Laurie Jewell are standouts in the distance races, while Brenda Peterson and Dorcus DeWitty will supply depth in the sprints.

PATTY CAPE 5-7 400 meter hurdles 60.8

A participant in track and field since she was eleven years old, Cape posted a 60.8 in her event last year. According to head coach Les Berman, she could finish in the top six in the AIAW this year. Will also participate on the two-mile relay team. This is Cape's second year competing for the 49ers after participating for Long Beach City College her first two years.

KERI CAMARIGG 5-6 Javelin 163-6

With an impressive and diverse background in the javelin, not to mention a 4th place finish at last year's AIAW National Championships, Keri is looking once again to qualify for this year's nationals. In 1977 Camarigg had one of her busiest and most successful seasons, capturing 6th in the AIAW Nationals and AAU Senior Nationals, not to mention 2nd place in the 1977 Junior Nationals in the javelin. Attending Moorehead State University in Kansas prior to her move to CSULB in January of 1978, Camarigg was the Kentucky State College Champion in 1977 and placed 1st in the Florida Relays, Keri has participated on the 1976 Junior National team that competed in the USSR and Germany. While in high school she was the New Jersey State Champion in the javelin for two years.

SHERRON WALKER 5-3 Long Jump & 220 21-81/4 & 23.5

A fifth place finisher in the long jump at last year's AIAW Nationals, Sherron is a veteran of the Pan American Games and two U.S. National Teams. Among some of her most noted accomplishments Walker finished 2nd in the national championships and 2nd in the 1976 Olympic Trials to establish her as one of Long Beach State's three Olympic veterans. In 1973 Sherron finished 2nd in the long jump at the USA v. Russia track meet.

EMILY DOLE 5-91/4 Shot Put & Discus 50-4 & 140-0

Nationally ranked in the women's shot put Dole has a personal best of 50-4. One more 49er with a strong finish last year, Dole captured 4th place at the AIAW National Championships. As far back as 1972 Dole, now a junior was a major factor in the women's shot finishing 4th in the 1972 Junior Nationals—coming back to emerge the Junior National Champion in 1974. In 1974 Dole participated in the USA v. USSR track meet as a member of the Junior USA team. She also participated in the Junior Central American Games in Mexico City. In 1975 Dole was named alternate on the women's USA Team that competed in Kiev, Russia, Sprague, Czechoslovakia and Durham, North Carolina. In 1976 Dole finished 5th at the Olympic Trials.

ANDREA LYNCH 5-4 100 & 200 meters 11.1 & 22.8

An outstanding sprinter by anyone's standards, Andrea Lynch is a veteran of two Olympic Games 1972 and 1976. At Montreal Lynch finished 6th in the 100 meters. In 1975 she was the European Indoor Gold medalist in the 60 meters. Her personal best in the 100 meters came when she posted 11.16 seconds and while in the 200 meters her best mark is 22.8.

JONI HUNTLEY 5-8 High Jump 6-4

Probably one of the most noted athletes to represent Long Beach track, Huntley is the American Indoor record holder with a leap of 6-4. Prior to that Huntley held the old record of 6-2 ¾. A diverse athlete, Huntley won the AIAW National Championship in the long jump to add to her already impressive list of credentials which include participating in the 1976 Olympics at Montreal. Huntley is currently rated number two on the all-time world indoor high jump list.
