Top two performers qualify for the NCAA championship

All running events of Thursday were hand-timed, Wednesday's were electronically timed

QUOTES:

(Keith Robinson, who set personal records in the 100, high jump, 400 and 110-hurdles):

"I had some doubts and anxiety, but deep down I thought I might win it.

"I'm definitely pleased with the win, but I also had some disappointments. There were a few heights I thought I could clear, and I was hoping for a better time in the 1500-meters.

(Keith Robinson, who turned 19 on April 29)

"Being a freshman, I felt a little intimidated. I feel out of place in some of these big meets."

Quotes from BYU's Keith Robinson: "Thursday will just a matter of putting together every event with a decent score. My score was a little higher than what I thought I could do. It's about 70 points ahead of where I thought I'd be."

On Robinson's personal best in the high jump, he said: "I wasn't expecting it, because I haven't been working on it. I've been working on my weakest event, the shot put. My shot wasn't good, but I made up for it in the high jump."

"Friday is supposed to be bad weather, so that could hinder us. The hurdles is my strongest event, not necessarily point-wise, but compared to the other events. I ran it a lot in high school, and hold both state records in the high hurdles. It was my forte. My pole vault has been on and off. If I hit it, it will be all over."
