

CORRECTION TO THE STATE
MEET RESULTS -- BOYS
SHOT PUT

It appears that a transcribing error will change the order of the men's shot put results from the California State Meet. Joe Hicks of San Benito High School threw 62-0.75 on his third toss in the prelims, and somehow that put was recorded at 62-3.25 on the best space for that day. These marks carried over to the finals in this year's State affair, and Brent Noon (Fallbrook), at 62-3, was awarded third place (Ka-leaph Carterr of Edison in Huntington Beach was the event winner at 64-0.5) at the close of the meet. Results should be amended to show Carter 1st, Noon 2nd (62-3) and Hicks 3rd (62-0.75).
