THE CORPORATE CUP RELAYS

June 23-24, 1984

San Jose City College

San Jose, CA

25¢

Dear Corporate Cup Relay Fans:

It gives me great pleasure to welcome you to the Northern California stop of the 1984 Corporate Cup Relay regional qualification program. This is the sixth year of the Corporate Cup program, and it has grown bigger and better each year.

We're holding this year's road races at Mission College and the track events at beautiful San Jose City College, site of the Bruce Jenner Classic track meet, due to construction going on at our traditional site, Stanford Stadium, as it is prepared to host Olympic soccer and the 1985 Super Bowl.

As is traditional with the Corporate Cup program, the board of directors meets after the national championships to present suggestions and changes initiated by the members. Consequently, the Corporate Cup is a very active, growing body, which is why you'll note some changes in the program this year. It has been expanded to include new events for older runners, who make up the backbone of most American corporations. There are also open competition events, which offer everyone who attends these games the opportunity to take part in them.

We've seen performances in the Corporate Cup Relays improve dramatically each year, as the setting of such intense competition brings forth best efforts from the participants. We anticipate similar improvements on all levels this year.

This year's regionals and national have special significance for the Corporate Cup Association and its members. This is the summer in which there will be special attention given to running events, due primarily to the Olympics in Los Angeles. As this regional CCA event is being held, the United States track and field team is being chosen in Los Angeles, and as the CCA national championships conclude July 21-22, the action at the Coliseum will just be gearing up for the Summer Games' track and field events. It will truly be a memorable summer of track racing in the United States, and we welcome all of you as an integral part of its success.

I speak on behalf of the board of directors of the Corporate Cup Association in wishing that all your races this summer be unforgettable.

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Anderson", written in a cursive style.
