SCCAA Regional Team Captains:

Thanks for participating in the 1990 Southern California Corporate Athletics Association Track and Field Championships on June 30, 1990 in Santa Barbara. Although we had a rather small crowd, I think the meet was good for people to see the SBCC track - site of the 1991 Nationals.

In the coming year I encourage each of you to get your team ready for Regionals, and then Nationals. Additionally, if you know of any other corporate teams that should be participating give them our number to contact for more information; (805) 9 U S C A A 8. We will be working to increase the number of teams competing.

Have a great fall and winter. If you have any questions feel free to give me a call.

Sincerely,

Robert P. Radnoti
USCAA Board Chairman
