SCCAA TEAM CAPTAINS,

Thanks for participating at the 1991 SCCAA Regional Championships. The following are results of the meet. I found a few errors from the day of race results. TRW was the Division AAA Champion, Congratulations.

Sorry if I misspelled anyone's names. It was hard to read some road racers handwriting. Anyway, I hope everyone had a good time. If someone wants to take over next year's meet let me know. It probably should be held at UCLA, site of the 1992 Nationals. If anyone has any ideas, write them down and sent to me. Good luck with the rest of the year. I hope to see you at Nationals. PS, if anyone has any folks that would like to volunteer to time or help with scoring at Nationals please let me know. We need bodies.
