Gentlemen:

I am the head track coach at Armijo High School in Fairfield. We have received your brochure on the Castro Valley Relays and are interested in participating.

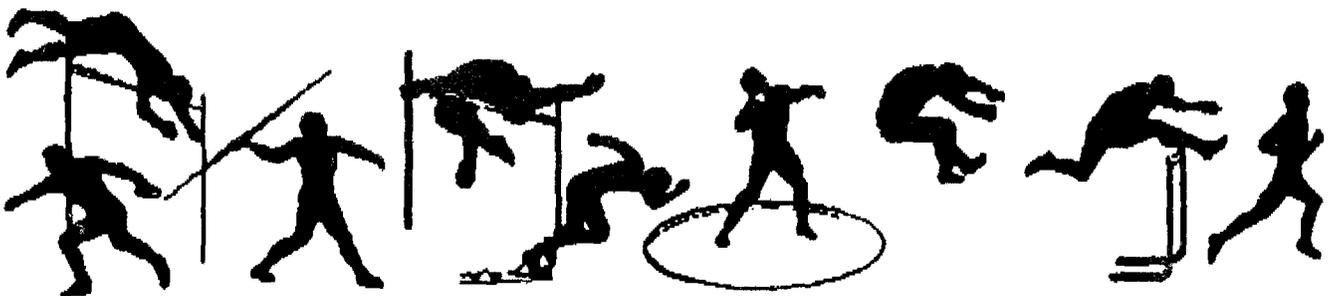

Unfortunately, due to weather conditions, we have had little chance to practice and, at this time, have no idea who the entries in the various relay events would be. I noticed that the entry deadline is April 22, however, we would like you to reserve a spot for us at this time.

We look forward to being there with our girls and frosh/soph boys.

We appreciate the invitation.

Sincerely,

Bruce Conhain

Dear Bruce:

Thank you for your fax reply to our invitational. Yes, we will reserve you a spot in our invitational relays. Just be sure to get us your entries in time to get them seeded and in the program. If you are not sure about names, even at a later date, just send in the relays and approximate times.

Please remember that we also have frosh-soph competition for girls as well as boys. If you have any younger girls who you'd like to see in a lower-key competition, consider entering them in that division.

Thank you again for your early response. I look forward to seeing you on Friday, April 26.

Yours,

Peter Brewer
