WELCOME:

to the 1997 Trojan Invitational Relays! Now in their 4th year, they are a continuation of the long-running DeKlotz Relays (1973-1989) which were held at Las Lomas High School. The DeKlotz Relays were the first track and field relays in Northern California set up expressly for girls' competition. Later, boys' frosh-soph events were added to further encourage competition in under-represented parts of the sport. Last year we have added girls' frosh-soph events as well. All records, by permission of the former meet director, have been forwarded from the DeKlotz Relays and are now a part of this continuing event.

Turn right (north) and follow to the school. From 580 East take the Redwood Road exit. Turn left (north) and follow to the school. Enter the track through the entrance on the south side.

MEET MANAGEMENT:

The meet will be run according to National Federation rules. There will be a Meet Referee in case of appeals, and a Jury of Review consisting of the Head Starter, the Head Finish Judge, and the Chief Inspector. All races will be videotaped. The meet will start at 3:30 p.m. and then continue until the last event. The length of the meet will be determined by the number of entries.

DEVIL-TAKE-THE-HINDMOST MILE:

There has been concern among coaches that this event is demeaning, or at the very least embarrassing for the athletes that get pulled from the track at the end of each lap. Out of concern for these athletes, we advise coaches who feel that this may be factor not to enter those athletes in this race. However, the majority of the coaches polled supported this race, and so we will not only run it, there will be a Devil to pull off the last runner at each lap off the track.
