	PJ Aguayo		
Hurdle Crew Chief:	Bobby Clemente		
Assistants:	Brandon Tong		
	Ricky Simmons		
	Chris Fosdahl		
	Bryce Greenfield		
	PJ Aguayo		

Official's Checklist

Junior and Senior boys' assignments:

1. All junior and senior boys on the team are now officials for the Trojan Invitational Relays. Because this meet is set up for girls and FS boys only, you now get to experience the thrill of officiating. Most boys will be matched up with the events they normally compete in. However, since we need lots of experienced and talented help, all of you are asked to help in some manner.

Almost all of you have been to invitationals, and all of you have been to away meets. Therefore you know that not everyone else in the track world does a good job running a meet. We want this to be a quality meet where every competitor gets full respect and fair treatment. So, we are going to be the friendliest and most courteous and most impartial officiating crew ever seen. Not only that, we will be efficient and knowledgeable.

The meet is scheduled to go from 3:30 p.m. until it is finished. With any luck at all, we could finish by 10:00 p.m. With no luck, the meet could go until midnight. Be prepared to stay the entire time. Officials don't get to go home early.

This is a non-school day (staff development) but we need you to show up and be ready to help no later than 3:00 p.m. Brewer could use lots of help all day long to set up.

Thank you!

1997 CV Invite Official's Notes

Long & Triple Jump

Well, Martha, it's time again:

Your crew: Phil Fung, Ben Bromley, Mike Paik

1. Order of jumps: 4:00 to 5:30 --GFS Long Jump
5:30 to 7:00 -- GV Long Jump
7:00 to ? -- BFS Triple Jump

These are broad parameters, and you may speed things up at your discretion. I tend to think that there will be precious few GFS jumpers, so that event may be done with quicker. As always, you have the Press Booth nearby to transmit your decisions to the assembled populace.

2. Each jumper gets three (3) attempts.
3. Please note that girls only long jump; boys only triple jump. Hopefully this too will speed things up.
4. Thanks!

CV Invite possible time schedule

assumptions: entries yield the equivalent number of heats as last year

timely delivery of athletes from bullpen to starting line

orderly results gathering at finish line

Notes: There is some time squeezing due to trying to stick to increments of 5 minutes. The hurdle moving will not take all the time allotted, so there is some stretch time there. The mile relays, especially with the younger girls, will take longer than 5 minutes, so there is squeeze time there. Again, the crucial spots (finish line and bullpen) are areas that we are strong in, so this schedule has some basis in reality. We should probably keep this internal, and not publish it, as any delay would throw the whole thing off. This is essentially a reference for ourselves to keep the meet running along briskly.

<u>Event</u>		<u>Heat</u>	<u>time</u>
1.	BFS	4xMile	1 3:30
2.	GFS	4xMile	1 4:00
3.	GV	4xMile	1 4:00
4.	BFS	4x100	1 4:40
			2 4:45
5.	GFS	4x100	1 5:00
			2 5:05
6.	GV	4x100	1 5:10
			2 5:15
7.	BFS	4xHH	1 5:30
			2 5:35
8.	GFS	4XHH	1 5:45
9.	GV	4xHH	1 5:50
			2 5:55
10.	BFS	4x220	1 6:00
			2 6:05
11.	GFS	4x220	1 6:10
			2 6:15
12.	GV	4x220	1 6:20
			2 6:25
13.	BFS	4x880	1 6:30
14.	GFS	4x880	1 6:45

			2 9:07
24.	GV	4x440	1 9:15
			2 9:22

coach's packet -

program

food tickets

water:

- athletes area -

- food tickets

- ~~bulpen~~ procedure

- track boy

mess bottle ^{time wipers} for jumper

personnel -

announcer

score

typist

awards

runner (2)

procedure

- announcer - commentary and results
- scorer - check results keeps running score
- typist - enter, print and sort results
- awards - take results and fill them envelope
- runners - time sheets from bulpen

bull horns - finish line
bull pens

bulpen

- get all names & relay
- scratch, substitutions and adds
- set up all heats at one time
- smooth each heat and paperwork to starting line

film crew

film all race in entirety

to buy - memory tape
video tapes
all-thread and
concrete

W/M
schedule: 6 hrs

Tuesday - lunch; set up track
dig out grass set and
frame new shot put

- dig or move or possible
the mound away
- score the board with

Wednesday - buy concrete / all-thread
mix & pour

- zone flags
- devil outfit
- extra trash bags
- tables & chairs

- 6) move hurdles
- 7) bring up wires for timer
- 8) bring tape measure -- beg from Herfi again
- 9) bring up medals -- organize around table
- 10) set up results area
- 11) line track (noon)
- 12) PV runway stand ups
- 13) set out track cam
- 14) score lines
- 15) set up hurdles
- 16) put out clipboard and boxes and meet

Medal ordering:

Needed:

150 Gold with blue neck ribbon
150 Silver with red neck ribbon
300 Bronze with white neck ribbon

Total of 600 medals

These are the 1 3/4 " color insert medals

with our logo already on file, this should not take more than three weeks, but they (Crown Trophy) like 10 weeks or more, so this should go in soonest.

This might be covered by the Booster allocation.
