Int. Hurdles---

Jim Seymour, UW 1st place:

"I started pouring it on at the start of the last turn. White chopped on the next to the last hurdle, and I thought that I could take him in the stretch.

"I ran this race a little different than the ones I had previously, since I started out faster. I was tired, since I am not in peak shape, but I will be by the time the NCAA comes up.

"It was a good race to win."

220 Run---

Willie Deckard, USC 1st place:

"When I came off the curve, the wind made me slow up, then I looked back, saw I was in the lead, and I eased up. The track is nice, but a little hard. Hope I do better in the NCAA, and I feel that the winning time in that meet will be 20.4 or better.

"I think it will take a 9.2 or 9.3 to win in the 100."

Triple Jump---

James Butts, UCLA 1st place:

"I tried to relax on my last jump, because I was so tight. Also, I was waiting for the wind to die down, because I like it when the wind is calm. This is a good pit, and today's jump was two feet better than I had done before. Naturally, I was real pleased with my performance today. ~~and~~

Three Mile---

Steve Prefontaine, UO 1st place:

"I knew I had my hands full, and if Kardong had poured it on with three laps to go, I would have let him go. I was running on pure guts. My feet were really burning.

"It was nice to win the race, but disappointing that the team did not win the meet. This track is really hard on your feet, because the black absorbs the heat. At least with the steeplechase, we get a chance to get our feet wet. "

(note: Jim Johnson from UW dropped out of three mile due to tight Achilles tendon.)
