7th Annual Winter Corporate Relays

It was a typical, beautiful Sunday afternoon in the San Francisco Bay Area. It was a warm 75 degrees at the Los Gatos HS track. No, it wasn't July, just your typical February day in the Bay Area.

There were 8 teams out to try and dethrone 4-time champ Lockheed Corporation in the 7th Annual Winter Corporate Relays. All of the local powerhouses were there with HP, Pac*Tel and up and coming Bank Of America. The Relays sports the same events that are competed at the Nationals with a few exceptions.

As the day progressed, HP and Lockheed were in a see-saw battle for first with Pac*Tel trying to overcome a disqualification and a DNF (pulled muscle) in 2 of the first 4 events. Each team was allowed to throw out their worst event. When we got down to the Box Relay, there was not only the chance for a new National record, but the contest was still close with HP leading, Lockheed in 2nd and Pac*Tel back in the hunt as third. Although SRI gave it everything they had in the Box Relay, they still fell 5 seconds shy of Hughes National record of 6:38.9. Two events later HP had built up a lead that seemed un-beatable and Pac*Tel had moved into second. It appeared Lockheeds reign on the Relays was now in jeopardy. When the Sprint Relay was over so was the 'Decade of Lockheed', with HP winning, Lockheed 2nd, Pac*Tel finishing a close 3rd (2 points behind Lockheed) with Bank Of America and SRI rounding out the top 5. There was one Meet Record set and that was in the Master's Relay by the quintet from Pac*Tel with a winning time of 6:38.4 around the oval.

The entire event then retired to a local pizza parlor for the awards ceremony, a look at the meet video and a few pitchers of beer. As everyone was heading home, the general consensus was that it was a fun day but it's time to get back in shape and get serious again. See you all in Santa Barbara.
