

SECOND ANNUAL CAMDEN INVITATIONAL

DATE: 10-9-65

DISTANCE: 1.9 MILES

COMPETITION: 23 SCHOOLS

WEATHER: OVERCAST, COLD AND WINDY

COURSE: FLAT, MANY SHARP TURNS

After hearing of the amazing Homestead team and how great they were until it came out of our ears, it finally came time for us to compete against the Mustang Marauders. Any evaluation of this squad that we had heard before came to life vividly as Homestead swept all divisions in seemingly effortless style. Thus began a rivalry that was to be enlivened many times in the season.

The Varsity was planted in the second Varsity heat with Leigh, Fremont, and a host of other squads. After watching the Homestead team run away with the glory in the heat before us, we lined up with one heck of a job on our hands. Chuck Menz, Gary Hanson, and Rick Rentschler came in with 4-5-6 finishes to nail down the runner-up spot. The JV's came close to beating Homestead, but Tom Young's first place followed by the strong finishes of Art Kipperman and Lynn MonSanto was not fast enough to catch the high-flying Mustangs. Larry Rentschler became stud for a day as he captured the Soph gold medal in the competition. Unfortunately, the remainder of the squad could not follow his example and the Pioneers placed a mediocre eighth. Bill Horan picked up a medal in his ninth place effort, but once again the meager Frosh were not powerful enough to make any sort of threat to their competition and placed tenth.
