

SECOND ANNUAL OVERFELT INVITATIONAL
 DATE: 9-30-65
 DISTANCE: 2.3 MILES
 COMPETITION: 13 SCHOOLS
 WEATHER: 90DEGREES
 COURSE: ROLLING WITH .4 MILE UPHILL

The Overfelt Meet, as last year, is the first meet of the season and generally proves very little, due to the general lack of competition. The course had been altered from the one that was used last year. The change routed the runners on a bridal path for the first mile instead of on the main road.

The Varsity wasted little time in proving that they would definitely be the power that Cupertino once was. The squad swept the weak field with a 2-3-4-5-7 finish led by Rick Rentschler's 13:05 and Charlie Menz's 13:06. The JV's took second to Mt. Pleasant's Varsity team in their encounter with Tom Young and Lynn MoSanto setting the example with 2,3 finishes. Larry Rentschler gained sweet revenge for his last year's defeat to Flores of Overfelt as he overwhelmed the field by over a minute. Russ Danielson was the second place finisher in the field. Bill Horan started his yearling season out with a boom as he placed third behind two Overfelt runners.
