13.	Hillsdale	51:02.4	26.	Awalt	54:04
			27.	Los Altos	54:14

Postal Competitions

Track & Field News will award Honor certificates to the top teams and individuals for distance running in the fall postal competitions. These nationwide contests are open for teams and individuals from high school freshmen to club runners. (Last year's awards are now being sent out to the winners.)

In addition to the distance runs, a very popular relay event is scheduled for the entire year: the two-man, 10-mile relay. Last day of the competition is December 31 and the results must be in the T&FN office by Jan. 7. Competition is in divisions for clubs, college, frosh, junior college, and high school. The race is run on the track, each runner alternating laps of 440 yards. A baton must be carried and the take-over made in a standard 20 yard exchange zone.

The team races are run on the track with team entries consisting of the times of five eligible runners clocked in the same race. December 11 is the last day of the competition and entries must be received by T&FN by Dec. 14. The college frosh, high school, and junior high school-freshman races are at two miles, while the clubs, colleges, and frosh-jaysee divisions are run over three miles.

Individuals not having a team to run with are eligible for honors in the individual competition.
