Mills Harriers Set U.S. Record

Mills High School closed out the most spectacular cross-country season in its history yesterday by breaking a national prep record in a postal meet at Foothill College.

The Vikings' five-man crew toured the two-mile distance over the Foothill track in route to a 48:01 team clocking, a mark which broke the old record of 48:04 set by Homestead High School earlier this season.

Arvid Kretz led the Viking assault on the clock with a 9:16.5 mark. He was followed by Rick Jurgens, 9:21.3; Steve Denney 9:33.2; Sophomore Jim Finch, 9:49; and Kelly McCormick, 10:01.

"We've been shooting for this record all year," Mills coach Joe Dees said. "It's a great way to end a great season." Mills won both the Mid Peninsula League finals and Central Coast Section regional meet earlier.

Dees also said that his crew could have smashed the record by 30 seconds had Bill Lembright been healthy. The Vik-

ing's No. 3 runner, he suffered a broken hand last week which hurt his performance.
