

3 Mile Postal

11/8/69

I would like to thank all the coaches who helped out at the Postal Meet. I am especially thankful to those coaches who were gracious enough to let me know about their runners who did not run all twelve laps.

Alex Paszkeicz
Cross Country Coach

Because of the necessity to run large groups of boys, and also in the range in the ability of these boys, I am going to recommend to the postal authorities that we go back to the 2-mile postal competition. I would like your opinion on this. Thank you for your cooperation.
