October 31 '70

PULLMAN, Wash. — Led by distance ace Steve Prefontaine, Oregon Saturday won the Northern Cross-Country Championship with 35 points as Washington State placed second on 43.

Prefontaine won over the new six-mile course at the WSU golf course in 29 minutes, 47 seconds, establishing a record for the new route. WSU's Don Smith was second in 30:22, about 200 yards back, and Cougar Mark Hiefield placed third at 30:45.

The Ducks, who do not compete in cross-country dual meet basis but may have strength to win the NCAA Championship, wrapped it up when Spokane's Randy James placed fifth and Steve Savage was sixth.

Prefontaine took the lead after 440 yards, shook off an early challenge by Oregon State's Keith Munson and had increased his lead to 150 yards at the half-way mark.
