CROSS COUNTRY  
 #2

Saturday  
 October 9, 1971

Cal State Fullerton was for real with five men in the top <sup>ten</sup> five. The Stanford time spread illustrates a problem we must correct. Fullerton had eight men within one minute of Covert. Bernie and Duncan represent an excellent 1-2 punch but it takes five to grab the gold ring. The frosh debut was very encouraging. Kurt and Mark did a fine job on the varsity, and Ed's 17th in the frosh race was a good start. The JC-Frosh race was the toughest competition we have seen for an opener, the times were good, we just need to move our "group" to the other end of the line.
