

Second, these incomplete results from Saturday meet in Salt Lake City -- run on park course in 6-inches of snow, 5½ miles -- WSU 19, Utah 38; WSU 17, BYU 41; Utah 27, BYU 28.... Murphy and Burkwist tied in 28:09; Dave Harper third in 28:16; Richard Reid (BYU) fourth, nt; Walt Churchill (Utah) fifth... Hindley 20th.

Moob is ecstatic over Harper; may be better than Fleet, although Fleet actually may be too big to be an effective cross country runner.

See ya.. Bob

found this behind files when cleaning-up,
