IX. Information from National Division Meeting - March 7, 1974

League Meet Manager Rotation: SC, P, W, MV, A, B, LA
SC is first in 1974

League Representative: Neil Forsythe of Mt. View

League Site and Date: Saturday morning at Coyote Park

Schedule: 3-Way meets desired and schedule will be made up after CCS date set. LA will not bring their best runners to these meets. American teams might be invited if their squads were small and of equal ability of National Division teams. Because of the weakness of league (except LA), they want to start building up cross country with these 3 or 4-way meets.

The lights were out for 30 minutes, so this was all that was discussed.
