### SOUTHERN SECTION'S GREATEST TEAM?

Though many have laid claim to being the all-time best Cross-Country team in Southern Section history, it would be hard to top the Lompoc High School squad in the fall of 1972. The best of four straight champion teams, COACH DICK JOHNSON'S group pulverized larger schools, scoring a miniscule 26 points to second place Palos Verdes 118 in the section finals. Six-time SCIF distance medallist TERRY WILLIAMS repeated his sophomore win with a 26 second runaway over a great field (he was State Two Mile champ the next spring). Junior JIM SCHENKEL (later SCIF and NCAA Division II National champ) was a strong fourth, followed closely by teammate JIM WARRICK, defending State Mile champ ALVIN GILMORE and junior ROGER FABING (SCIF runner-up later).
