Coyote Park is located just west of the Bayshore Freeway (101) in southeast San Jose at Hellyer Avenue. Going south take the Hellyer exit.

Crystal Springs is located in Belmont. Coming from the south on Highway 280, turn east at the Belmont exit, then take the first off-ramp on the right. Turn left at the stop light on Ralston Avenue and continue on to Hallmark Drive (on the top of the hill). Turn right at Hallmark and proceed to the end of the road near the water tank.
