Laurie Andeen ... finishes 6th for M-A.

M-A girls 3rd in NorCal

Prep cross country

Menlo-Atherton High School's girls' cross country program reached its zenith Saturday at the Northern California cross country finals at Sierra College in Rocklin.

The Bears, who finished second at last Tuesday's Central Coast Section finals, finished third Saturday with 107 points, 20 points behind first-place Los Gatos and three points behind second-place Clovis (Fresno).

"This is the best an M-A team has ever done," M-A coach Plato Yanicks said.

Freshman Laurie Andeen was the top M-A finisher. Andeen completed the three-mile course in 18:18.9 and in sixth place. Andeen was one of three freshmen in the top 10.

Yanicks said Carla Holmes, the only M-A senior, ran her best race

of the year to finish 23rd.

Mountain View's Shannon Clark, who finished second at the NorCal finals as a freshman and a sophomore, did so again as a junior this year. Clark finished 39.2 seconds behind Leigh's Rebecca Chamberlain.

In the boys' race, Castro Valley senior Calvin Gaziano set a course record, breaking the previous record by five seconds and beating the second-place runner by 27.5 seconds. Gaziano finished in 14:35.1.

Bellarmine, the CCS champions, finished third behind Lassen (Susanville) and Clovis. Mark Callon was the Bells' top finisher in 20th place.
