Re: C.C.S. meeting

A. In regards to the minutes of the C.C.S. meeting that was held on Sept. 13th, the following tasks need to be done by all the coaches:

1. by **Sept. 30th** you need to **declare** what division you want to compete in at C.C.S. (only if you are moving up)

(Remember that the top half of the league qualifies as does the top representative from each division)

2. your **official roster** needs to be turned to League chairperson, (Hal Daner or Roberta Chisam) by **October 25th**

3. your **league entries** need to be turned into league chairperson by **October 25th**.

(see the attached forms to be filled out.) Please make sure that names, grades and all data is legible.

7. After a brief discussion, we voted 8 to 7 to recommend to the Board of Managers not to have schools all their athletes compete in 2 school sports simultaneously. There were concerns that schools with field hockey or smaller enrollments did not have enough girls to field a Varsity team and on the other side, schools said that it was not fair to have athletes compete in two sports because their administration did not allow it to happen.

8. We added to our minutes in Article III sect. 4 that there is a 50 hour practice limit before September 1st. We cancelled Articles VI-VIII since we did not merge leagues. All other Articles to our by-laws were accepted for continuance.

9. Please talk to your AD to nominate coaches of the year. Cross Country nominations are due from ADs by 4/30 and track by 2/15.

10. Be sure to keep your teams conduct under control at Crystal Springs so that we may keep using the facility. Any time that you can help Bob Rush and thank him for all that he does, it would be appreciated.
