Peter,

Through all the excitement last night I must have ended up putting my sweatshirt and t-shirt back into that box I handed you. If possible could you set some aside for the next time we meet. I think I had found a size large sweatshirt, but the t-shirt was a small. Thanks for doing all that stuff for the banquet. I will pass out the folders to the team members at practice today and then hunt down the rest here at school over the next couple of weeks.

State Meet -- the ultimate step in high school cross country

State Meet !!!

Danny Stalters Carries Bronco Pride to State

On a cold and drizzly day, Danny Stalters finished 93rd in the Division III Boys' race at the 24th California State Meet Championships in Fresno. On the 5 kilometer course at Woodward Park, Danny finished in the top half of the race with a quality sophomore time of 16:34.

Danny scurries past a Las Lomas runner at the finish.

This time puts him # 3 on the Northgate all-time list on this course, just one second back of Bronco legend Michael Wickman. This list includes the runners from the two Bronco boys' teams that have made it the State Meet in 1989 and 2002.

Danny's race was a study in consistency. He hit all of his target time splits (5:03 mile, 10:37 two mile) en route to his final time. He and the coaches had hoped for perhaps a slightly faster time, but the final mark is certainly within the expected parameters of excellence.

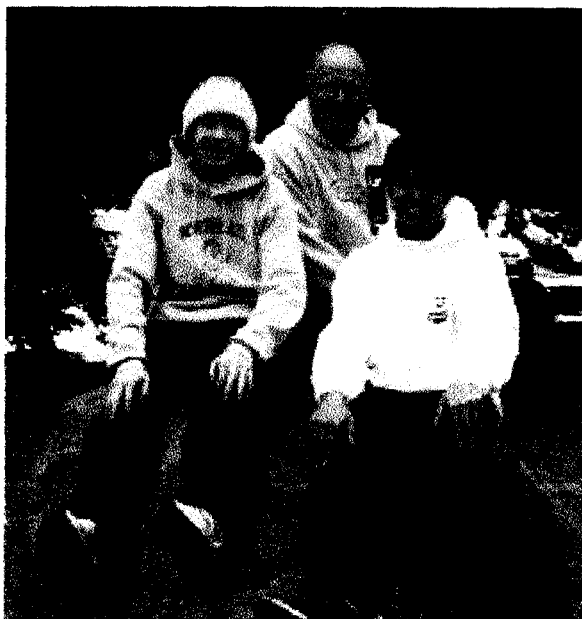

By comparison with other runners, Danny's time becomes even more of a solid effort. He was fast enough to have been a runner on every team in the race, even the fastest winning teams.

Race preparation

The trip to Fresno the day before the race was leisurely. The course jog and t-shirt buying frenzy among all of the assembled teams was also a treat. The motel was exceptionally comfy, and the dinner was a cozy little Italian place called DiCiccio's with great calzone. And we made new friends with the Piner High team who shared the motel with us.

Mike and Danny pose against the backdrop of the finish line banner

Danny, Coach Brewer and Mike have a few post-race giggles.
