NCS Preview:

Thank you very much to all the coaches and athletes who helped me break down each division. The following is my best attempt to predict the top 5 teams as well as the top individuals for each division (boys and girls) in today's sectional meet. The teams from this meet that will qualify for the State Meet at Woodward Park in Fresno on November 26th are noted for each division. The top 5 individuals from each race will also qualify to the state meet provided they are in the top 12 when 2 teams qualify, top 14 when 3 teams qualify, top 16 when 4 teams qualify and top 18 when 5 teams qualify.

The winning teams in each division will receive plaques. The top 2 teams in each division will receive pennants. The top 3 teams in each division will receive medals. Seven (7) medals will be provided per team of seven.

The top 7 individuals in each race will receive medals.

Division I

Girls - (Top 2 teams advance to state meet):

1. Granada
2. Amador Valley
3. Monte Vista
4. James Logan
5. Livermore

Granada was the section champion last year and would have returned their entire lineup if not for an unfortunate injury to their top runner, Sophie Hartley. She has been out for most of the past year with an injury and has not raced at all this season. Granada would have been the prohibitive favorite with her but are now only slight favorites without her. Their chief competition will come from EBAL rival Amador Valley who narrowly lost to Granada at their league final 40 to 36. Fellow EBAL competitor Monte Vista will keep both teams honest and hope that they can stay close enough to challenge for the last state meet spot. The rest of the challengers will include James Logan (MVAL champions), Livermore, Castro Valley, Santa Rosa and Berkeley. The favorite for the individual title is Amador Valley's Jena Pianin based on her spectacular solo performance at the EBAL meet. Carina Novell of Granada was her closest Div. I pursuer at the EBAL meet and will keep her honest. Novell's teammate, Maryann Gong and AV's Kelly Parsons both will be part of the chase pack. The Abdo (Diribe and Biritu) sisters from Berkeley have been impressive so far this season and could be a dangerous threat.

Boys - (Top 2 teams advance to state meet):

1. Amador Valley

2. De La Salle
3. Granada
4. Monte Vista
5. Santa Rosa

The margin for error in Division I is always slim since only two teams get to go to Fresno. That means that the two favorites, Amador Valley and De La Salle, will need to keep an eye on each other during the race and stay ahead of the teams chasing them for those elusive two qualifying spots. Granada showed they can compete with both teams at the EBAL final and could surprise either team here. Monte Vista will be with a less than 100% Trevor Fuhrman, which drops them down a spot behind Granada. Santa Rosa moves up to Division I this year and has proven to be a top 5 team throughout the season.

Fuhrman of MV would have been the favorite but that role now belongs to Evan Molineaux of De La Salle who finished 2nd in the EBAL final. Connor McCarthy of Amador Valley and Andrew Feldman of Monte Vista were fairly close to Molineaux at the EBAL meet and will be his biggest threats. Grant Salk of Granada will also be in the mix here trying to break up the above 3 competitors.

Division II

Girls - (Top 3 teams advance to state meet):

1. Maria Carrillo
2. Alameda
3. College Park
4. San Ramon Valley
5. Clayton Valley

Maria Carrillo bounces back to Division II this season and they will be the favorite to win the team title here. They have the best lineup of girls who reclaimed the NBL league title with a strong effort on the Spring Lake Park course. Alameda will be looking to qualify for their first state meet but will have to hold off some proven teams such as College Park, San Ramon Valley and Clayton Valley. Dougherty Valley ran in the tough DFAL which means they will come to this meet battle tested. Defending champion Washington will be looking to surprise the field again along with the always competitive Casa Grande and Carondelet teams.

The individual favorite will be San Ramon Valley freshman Christine Bayliss. She has the best and most consistent resume this season and has lots of racing experience despite only being a freshman. Defending champion, Ashley Moffet of Casa Grande won't give up her title easily and will keep Bayliss honest. The rest of the front pack will include Maria Carrillo teammates Lauren Kraus and Andrea Natoli, College Park's Kendall Stuscavage, SRV's Elizabeth Hebel, Washington's Jessica Yee, Windsor's Victoria Tomaszewski as well as state meet veterans Alexandra Tate of Clayton Valley and Amber Peirsol of Windsor.

Boys - (Top 3 teams advance to state meet):

1. San Ramon Valley
2. Alameda
3. Maria Carrillo
4. Dougherty Valley
5. American

San Ramon Valley won this division handily last year by scoring 28 points and will be the clear favorites here. With the top spot locked up, the question in this division will be as to what teams will finish behind the impressive SRV team. I believe that it will come down to a battle between last year's 3rd place finisher, Alameda and a returning team to the Div. II wars, Maria Carrillo. Their challengers who will be trying to break into the top 3 will also include DFAL competitor Dougherty Valley, MVAL champion American, Arroyo (very familiar with the Hayward HS course), Clayton Valley and Casa Grande.

The favorite for the individual title will be defending champion Parker Deuel of San Ramon Valley. He showed his form at the EBAL meet defeating many of the top Div. I runners and just recently ran a reported 9:28 3200m. Paul Holden of Ukiah finished 2nd here last year and will chase Deuel once again after an impressive showing at the NBL final (15:15). Deuel's teammate Zach Hanze finished 3rd in EBAL and will be part of the front pack as well. Nolan Petersen of Washington won the MVAL meet holding back a pack of American HS runners.

Division III

Girls - (Top 4 teams advance to state meet):

1. Campolindo
2. Acalanes
3. Redwood
4. Las Lomas
5. Bishop O'Dowd

Campolindo is the clear favorite to win as they return to defend their section and state titles. They have won 6 titles in the past 11 years and are poised to add to their collection of section plaques and banners. They are led by one of the best runners in the country in senior Carrie Verdon who just recently committed to the University of Colorado. DFAL rival Acalanes will once again chase the Campo girls trying to upset the now freshman laden Cougar team. Redwood, the top dog in MCAL, will be shooting for 3rd place and attempt to stay ahead of the following crew of Las Lomas, Bishop O'Dowd, Tamalpais, Petaluma, Piner and Miramonte.

Verdon will be shooting to win her 2nd consecutive section title as well as lower her own course record for Div. III runners, 17:19. There is a chance for rain this weekend and Div. III will be one of the last competing divisions. However, that did not deter Verdon from breaking the record at last year's NCS meet under similar conditions. Her closest pursuer at the DFAL meet was Annie Marggraff of Acalanes and she will also be one of the top runners here. Piner's Kyra Johnson, in her first season of cross country as a senior, has quickly established herself as one of the top runners in this division by winning the always tough NBL crown and will be a threat here.

Boys - (Top 4 teams advance to state meet):

1. Piner
2. Campolindo
3. Miramonte
4. Redwood
5. Bishop O'Dowd

The luck of the draw puts the best race of the day last (main event!) and the two best teams in NCS (Piner and Campolindo) will race here for section supremacy. No matter how you break down both teams, this race will be extremely close and an off day by any runners on either team will be the difference. Miramonte is also state ranked but will need a healthy lineup to contend with the top two teams. The battle for the final state meet spot will be great as usual in this division which has always been the deepest in the section. The contenders will be Redwood (MCAL champions), Bishop O'Dowd (HAAL champions), Sonoma (SCL champions), Las Lomas and Tamalpais.

The individual favorite will be Luis Luna of Piner who has established himself as one of the top runners in the state and will once again chase Erik Olson's course record in this division (14:49). Thomas Joyce of Campolindo got the best of Luna at state last year and will be looking for a repeat performance here. Alex Conner of Sonoma finished 2nd to Luna at the Stanford Invitational and will not be afraid to mix it up with any runners up front. Luna's teammate Jaime Silva, Campo's Vinson Compestine, Las Lomas runner Aidan Goltra, Petaluma teammates Ryan Douglas and Kevin Poteracke, Northgate's Dan Stalters, Miramonte teammates Dillon Read and Jamie Fehrstrom and a slew of other runners will make up the deep front pack.

Division IV**Girls - (Top 3 teams advance to state meet):**

1. Arcata
2. St. Mary's Berkeley
3. Piedmont
4. Sir Francis Drake
5. Marin Catholic

Arcata has been a frequent contender in this division and won a section title in 2005. They will be favored to win again this season based on their performance at the Stanford Invitational and their own league final. St. Mary's Berkeley has improved throughout the season and could potentially challenge Arcata. Piedmont and Sir Francis Drake will battle it out for the final state meet berth and hope they can stay ahead of two more usual suspects in this division, Marin Catholic and Moreau Catholic.

The favorite to win the individual title will be Nicole Lane of El Molino who has set multiple course records and established herself as one of the best runners to come out of the Redwood Empire. Spencer Moore of St. Mary's Berkeley, the defending champion, has slowly closed the gap between her and Lane and could make things interesting today. Possible contenders for top 5 finishes include Jordan Allen of Marin Catholic, Elizabeth Ford and Zoe Ziegler of Arcata, and Emily Hahn of Piedmont.

Boys - (Top 4 teams advance to state meet):

1. St. Mary's Berkeley
2. Sir Francis Drake
3. Cardinal Newman
4. Moreau Catholic
5. Piedmont

As best described by an ex runner in this division, last year was a perfect storm of great teams and individuals which included the state champion (San Rafael), individual state champion (Dan Milechman of Tamalpais) and four teams that finished in the top 10 at state (San Rafael, Tamalpais, Sir Francis Drake and St. Mary's Berkeley). This year's teams and individuals definitely have a tough act to follow but with that said, there are 8 teams in contention for the 4 spots to Fresno. The favorite for the team title will be St. Mary's Berkeley. They have been the most consistent team in this division and have the accolades this season to earn the favorite role. Sir Francis Drake has the firepower up front to scare the rest of the teams but will need strong efforts from their 4th and 5th runners. The battle for the final two state meet berths will be waged between Cardinal Newman, Moreau Catholic, Piedmont, Arcata, defending champion, San Rafael and Marin Catholic.

The favorite to win the individual title finished 2nd here last year and 5th at the state meet and that is Drake's John Lawson. He will be kept honest by Cardinal Newman's Alexi Taylor who ran an impressive 15:19 at the NBL final. The rest of the contenders will come from the state meet contending teams including Duncan Calvert, Patrick Mariolle, and Stevie Greene of St. Mary's, Clayton Hutchins and Will Baker-Robinson of Drake, Joey Morris of San Rafael, freshman Billy Ireland of Piedmont and Audric Lecouturier of Marin Catholic.

Division V**Girls - (Top 5 teams advance to state meet):**

1. University
2. College Prep
3. Urban
4. Lick Wilmerding
5. Marin Academy

The University girls are the two time defending NCS and state champions. They return the core of last year's team which includes their three aces up front (Bridget Blum, Holland Reynolds and Jennie Callan). College Prep has quietly been one of the best teams in state and won't be a pushover here. Urban seems like a solid bet for 3rd and will look to challenge for 2nd place. The battle for the final two state meet spots will be between BCL west rivals Lick Wilmerding and Marin Academy as well as the suddenly potent Branson team.

For the first time in five years, the individual winner will not be Marin Academy's Lucy McCullough. I believe the favorite will be University's Bridget Blum who is a fearless racer and will take control of the race from the first step. It won't be easy for her as she will be challenged by teammates Holland Reynolds and Jennie Callan, Branson's Julia Maxwell (Stanford Invitational winner) and BCL East champion, College Prep's Amanda Glavin and teammate Kai Wilson.

Boys - (Top 5 teams advance to state meet):

1. University
2. St. Joseph Notre Dame
3. Sonoma Academy
4. Athenian
5. Marin Academy

Division V has always been one of the shining beacons for the North Coast Section at the state level. It's no different this year as two of the best teams in the state (St. Joseph Notre Dame and University) will wage battle for the section title. Both teams will be highly motivated to win as St. Joseph finished 2nd to Urban by 1 last season while University had to pay it's penance in Div. IV for being too successful in previous seasons. The battle for 3rd place will be between Sonoma Academy (3rd at Stanford Invitational) and BCL East champion, Athenian. The last qualifying spot will go to one of the following teams: Marin Academy, Lick Wilmerding, College Prep or defending champion, Urban.

The favorite for the individual title will be University's Connor Clark. He has mixed it up with some of the best runners in the CA and is currently ranked 3rd in Div. V. Keeping him honest will be the St. Joseph duo of Nick Ratto and Gabe Arias and Marin Academy teammates Trevor Reinhart and James Kinney. Cloverdale's Joe Carrillo won't be afraid to challenge any of the above runners and could be one of the surprise runners of the entire meet.
